### *Our Mission ...*

*"A people gathered in  
Christ;  
nurtured in His Spirit;  
and sent in His name."*

"As we experience the living Christ and are drawn closer to Him, we are also drawn closer to each other." That is a quote from last Sunday's sermon (at least it's pretty close to an exact quote). I believe that with every fiber of my being! As we grow closer in our relationship with Christ, we are filled with His love and the power of the Holy Spirit, which in turns binds us, as believers, in a way that the world will never understand! I thank you so much for allowing me the privilege of working with you, and serving you, as we seek God's will for College Park and all of our ministries!

There has been much uproar about the soon-to-be-released movie "The DaVinci Code," starring Tom Hanks. Because of Hanks' affiliation with the movie, it's almost guaranteed to be a blockbuster. As believers, we have two choices: we can scream, and boycott; or, we can equip ourselves with the facts and go see the movie with our friends. (Remember it's fiction...let's treat it as such.) I prefer the second choice, and we are going to provide such a training time on Friday, May 12th (one week before the movie opens in local theatres). It will begin at 6:00pm, here at the church...watch and listen for details...

# IN TOUCH

## SUMMER INTERNS ON THE WAY

With the summer quickly approaching, our church events are about to head into overdrive. This is especially true for our children and youth ministries. In order to help our church reach out to all of the families in our church who have children and youth, our church calls summer interns to work for twelve weeks each summer. This has happened for several years now.

This summer is no different in that our events are many and varied. In our recent business meeting, our church voted to call two individuals for the summer of 2006. Our Family Ministry Intern with Children will be Lizzy Boyles. She is no doubt familiar to many in our church as she graduated from our youth ministry in 2004. She has been at Meredith College for the last two years where she has been working on her Child Development degree. She served College Park last year in this same position and did it with great sensitivity, laughter, and joy. Our church is excited that she will be returning to minister at College Park for the summer.

The Family Ministry Intern with Youth for this summer is David John Hailey. David John (his preferred name) is a young man who was in my youth ministry while I was at Hayes Barton Baptist in Raleigh. He is a freshman church music major at Campbell University. He has felt God's call on his life and is trying to find out what area of ministry he enjoys the most. He is a young man of talent and character. He has a great desire to serve. While his is a new name to College Park, I know he will be a great asset for our summer ministry to youth and their families.

The summer intern ministry continues to be an invaluable part of the legacy of our church. I am grateful to serve a forward-thinking church which wants to help young people find God's will for their lives through the intern program. I know this summer will continue that great tradition.

## Dulcimer Doin's

This year we will expand the opportunities to hear some dulcimer music. On April 30, *Harmony Grove (Hammer) Dulcimer Club* will play during the morning worship. Then the festival will be Friday and Saturday, May 5-6. Friday evening, we will have jams at 7 p.m. and open mike at 8 p.m. in Smith Hall. Also in Smith Hall on Saturday, we will have concerts at 12:45 (free!) and 7:00 p.m. (\$8 admission). If you are blessed by the music, you will be able to buy CDs to share with others.

The festivities will not end Saturday night—Susan Trump will sing and play the mountain dulcimer in the morning worship May 7 (remember Ann Lough last year!). Finally, Cindy Johnson promised us a hammer dulcimer part in the LIFE service that evening.

Thank you for the opportunity to bring this music to College Park.
