From Your Pastor...

Our Mission ...

*"A people gathered in
Christ;
nurtured in His Spirit;
and sent in His name."*

The summer is here and each summer we look forward to vacations, more family time and special events and services here at the church. This year is no exception! We will have some wonderful opportunities for services including our annual Mountain Outreach mission trip. We will also launch a local mission effort called *Team In As Much*. One of the more recent developments has been the moving of our LIFE service outside to the front lawn. We have been having wonderful attendance, and are seeing some new faces from our community! This is a great ministry and witness to the people around us, so if you haven't been to LIFE in the last several weeks...come and experience worship under the blue sky!

As we met this past Sunday to reflect on the significance of the Holy Spirit being sent at Pentecost, hopefully we were able to recapture a sense of wonder and awe of the God we serve! Many times we take for granted His unconditional love as well as the power of the Holy Spirit in our lives daily. My prayer is that each of us would seek His leadership in our lives and respond in obedience. As we do so, lives ... including our own...will be changed!

Mt. Outreach

July 2- 7, 2006

July 2 is the date our team will head to Williamsburg, KY to build a house for Carolyn Jones and her son and grandchildren. Baby Dalton, less than a year old, has a disease called PKU. His body cannot process protein and any intake of protein can be life threatening. Carolyn must watch Dalton's medications and feeding with meticulous care. In order to keep his utensils sterile, Carolyn has asked if we can provide a dishwasher. We have worked out a place in the small kitchen for a dishwasher, so we hope to be able to install one in the house.

Pray for your part on the building team, helping with donations of furnishings, and donations toward our goal of \$22,000.00.
