From Your Pastor...

Our Mission ...

*"A people gathered in
Christ;
nurtured in His Spirit;
and sent in His name."*

This Saturday, we will take another step into our community with our WALK FOR LIFE. The specific goal of this endeavor is to let our community know that they are invited to be a part of our L.I.F.E. services on Sunday evenings, but the general goal is to continue to reach out to our community with love and compassion. We are called to build relationships...relationships that help lead others to a saving knowledge of Jesus Christ, and then grow in His likeness. So, come join us at 9:45 am this Saturday, and enjoy a walk through our Jerusalem.

Another area of specific ministry that has steadily and quietly grown over the last couple of years is the broadcast of our worship services through the internet. Rick Matthews maintains this ministry, and from time to time he will update me on the statistics of how many times per week our services are being downloaded, literally from all over the world. The latest improvement on this ministry is the advent of podcasting our services to regular subscribers, and we know that these people are from all over the U.S., and also from China, the Slovak Republic, Hungary, Morocco, Mexico, and Australia, just to name a few the more exotic sounding places! Thanks Rick for your faithfulness to this ministry!

FAMILY MINISTRY

"Walk for Life" Outreach

June 24, 9:45 AM

Many of our people have been part of the College Park LIFE service. The contemporary service has continued to grow in popularity through its informal, laid-back style. It is the perfect place to introduce people who have little experience with church to the ministry of College Park. So, we will get together this Saturday at 9:45 to "Walk for Life" as we will walk the streets in our neighborhood to personally invite our neighbors to our LIFE service. Come help us get the word out!
