From Your Pastor...

On Wednesday night, February 21, we will once again worship together on *Ash Wednesday*. As you know this marks the beginning of Lent, and this is a season of reflection. I know that many of you are reading through the Bible with us in our *90 Days of Focus*, and it is very intentional and appropriate that Lent falls during these ninety days. As we read God's Word, and reflect upon who God is, it gives us a proper perspective on who we are in relationship to Him. I challenge you to remain faithful in your reading, and I know that the Lenten season will be even more meaningful as a result of your faithfulness!

Ultimately, our *90 Days of Focus* are leading us up to our Holy Week services and Easter Sunday morning. But, also remember that we are planning to begin revival services two weeks after Easter Sunday. Those services will be April 22-25, and our plans are to have the services on the front lawn! As we talked about last Wednesday night, revival requires preparation, so I urge you to individually follow the pattern for revival presented in Nehemiah chapter nine: 1) Brokenness before God; 2) Reflect on God's Goodness; 3) Confession of Sin; 4) Commitment to Obedience. I am convinced if we will do these things, God will send revival!

See You Sunday!

Ramon

A NOTE FROM MARY

I am amazed at how God so often ties together His Word, proclamation, and circumstances to teach us and grow us. As I write this, I am sitting in the waiting room of a Virginia hospital as a very close friend is in surgery. This friend has lived her entire life with a condition which has limited her lifestyle, and is in the process of a series of two surgeries which should enable her to do all the things she would love to be able to do. As I sit here awaiting news, I think of our recent readings in Job. My friend, like Job, has been told, "If you had enough faith, if you were good enough, God would heal you." She has questioned God "why?" She has awaited His answers. But, greater still, she has worshipped. And she has been an unbelievable minister to those around her. God has not only refined her in her troubles, but he has refined those around her as well. God has taught me so much through knowing her. He has taught me faith, patience, compassion, and perseverance. I think of the people to whom she has been able to be a witness because of her condition, and I know that God's word is true and that He can and does work all things together for good for those who love Him.

College Park is beginning a new pictorial directory to help us better recognize each other!

Participating households will receive a free 8 x 10 photo and a directory. There is no cost to participants or to the church. You will need one appointment to sit for your photograph **and** make purchases, if you wish. Sign-up sheets are available in the hallway outside of Smith Hall.

We hope everyone will take advantage of this opportunity, March 26-29, to connect with other church members.

College Mission Trip Set for Charleston

Our college students are headed to Charleston, SC for our annual Spring Break trip. We will once again be working with Jimmy Creech and Charleston Outreach as we do some rebuilding of homes and lives. The dates for this year's mission trip are March 4-7, with a cost of \$70. If you are interested in being a part of this trip, please let me know.

For those who are not able to go, there are ways that you can be a part of the mission trip. We will be asking for donations of food in the next few weeks. I will have more details as we get closer to the mission trip. We can all pray for the team that God has in mind for this trip and for the people that the team will come in contact with in Charleston. May God have His way with the team.
