From Your Pastor...

Making the Difference...

As we approach the last Sunday of this special emphasis, I pray that we have allowed God to really change our hearts and attitudes so that we can be difference makers! As change takes place in our hearts, I am convinced it will be evidenced in our actions. And herein lies the challenge for us as believers: does our walk match up with our talk?

Our Mission ...

*"A people gathered in
Christ;
nurtured in His Spirit;
and sent in His name."*

This Sunday we will examine ***Making the Difference in Our Community***, and I pray that you will come with an open heart and mind and allow God to speak to you through a fascinating passage of scripture. Then, on Sunday evening you will have a chance to put your faith into practice as we worship outside! That's right...L.I.F.E. will be moving outside again this Summer, and we decided that Memorial Day weekend would be a great time to move back to the front lawn for evening worship! Invite a guest, bring your picnic supper with you at 6:00pm, and enjoy the fellowship under the blue sky. **L.I.F.E.** will begin at the usual 7:00 time!

I am always encouraged by *Youth Sunday!* I know that our teens take their role as worship leaders seriously, and it always amazes me how talented a group we have! A special thanks to Jeff, our Youth leaders, and the teenagers themselves for a wonderful worship experience!

See You Sunday!
Ramon

Are you missing something???

We have accumulated quite a collection of various items that have been left at the church or on the bus...clothes, glasses, umbrellas, gloves, dishes, tablecloths, etc. If you are missing items, please come by the office to claim them. We will be taking unclaimed items to Goodwill by June 15.

As I write this, it is Monday. It has been a Monday in every sense of the word ...running behind getting ready, fighting with the six-year-old, an unexpected phone call putting me more behind...coffee spilled all over the desk...a to-do list bringing the realization that I am too far behind on several things. I have whined more than once this morning (and apparently doing it now in newsletter format!), but as I was contemplating what to put in the newsletter, I was reminded of this quote by William Law:

*“Receive every day as a resurrection from death,
as a new enjoyment of life...let your joyful heart praise and magnify
so good and glorious a Creator.”*

OK, so occasionally... well, often, God has to get my attention and remind me of that which, I supposedly already know. So, I write this confessional devotion with a prayer, a prayer of confession for letting petty things take my eyes off of my God, a prayer of praise to a patient God who gives reminders, a prayer that He will make Himself clear to you in coming days when you need a reminder, and a prayer that in coming days we will praise and magnify Him with joyful hearts for He is our great and glorious Creator, Redeemer, and Sustainer.

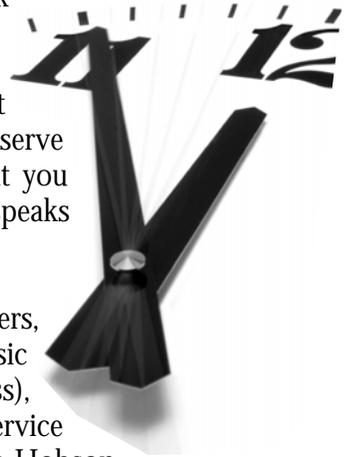

IN TOUCH...with Jeff

Yesterday's Youth Sunday worship was as significant a worship service as I have ever been a part of, and I think it will hang around in my memory for a long time. I was reminded of what a special place we have at CPBC. It was a powerful statement made by our young people, and I am proud to serve with them. “Thanks, youth for living out what you say you believe! The message you live and say speaks volumes to the people around you!”

Thanks go to: every youth in the service (huggers, ushers, speakers, pray-ers, Ainesis members, music leaders, puppet team, yoU-turn, Eye-witness), adults who helped prepare the youth for the service (Teresa Hill, Bill Hinson, Donna Hinson, Kent Hobson, Charlie Jones, Mary Keltner, Joy Minster, Keith Minster, Barbie Morgan, Debbi Patterson, Stephanie Phillips, Ramon Smith), and everyone who has supported us this year (Sunday school teachers, music leaders, Crosstraining leaders, Wednesday night leaders, snack supper providers, chaperones, prayer partners). Your sacrifice for service allows our young people to continue developing their faith walk with God.

***The future is something which everyone reaches at the rate of sixty
minutes an hour, whatever he does, whoever he is.***
