From Your Pastor...

So what difference will we make? That is now the question. We can talk about making the difference, but talk (as the saying goes) is cheap. When we put our faith into action, then we reveal the true nature of our faith. Christians should (by definition) follow the example of Jesus Christ. He made a difference everywhere He went and to everyone He encountered. If we are truly to be “Christ ones,” then we should strive to do the same! On Sunday, June 24th, we will outline a simple but effective way to “open the door” to forming new relationships which can be springboards to changing lives forever. Stay tuned for more information...

It is always encouraging to experience *Graduates’ Sunday*, and see how our teenagers have grown into fine young adults! Please continue to pray for these young people and their families as they make a major transition in their lives.

The same could be said for those who were baptized this past Sunday. What a joy to be a part of this service...please continue to pray for them as well!

This summer, we will gather each Wednesday evening, beginning June 20th for a series entitled “*In A Word*.” These studies are challenging and will help you to think about some issues from a fresh perspective. The schedule for “*In A Word*” is on page four of the HIGHLIGHTS, and flyers are also available at the Welcome Center!

Mountain Outreach 2007

College Park has a wonderful family to help with our annual house-building mission. John Chatham, his wife Jennifer, and little Jonathan and Jake are counting the days until we arrive to build their new home. John is a healthy, hard-working man. His main occupation is building swimming pools. During the cold winter months, he has to find other employment. Last winter he was unable to get a job and the family moved out of a rented trailer into a cement block storage building on his mother's land. This winter, the family will have their own home. Jennifer is currently working at Burger King.

Information about the project is posted at a display outside Smith Hall. There is also plenty of room for people to sign up to go and help with this mission. Our financial goal is \$24,000, and we have a little more than half the money. Please begin praying for God's work to be done as we travel and on the site. Pray about your participation — through donations or going to work. Pray that God will be glorified through our hands and mouths.

IN TOUCH...with Bryn and Sara

It is amazing how much you can learn and accomplish in such a short amount of time. The past three weeks have been a growing experience for me, and I know that the growing is far from being over. We had a great kick-off to the summer with Children's Camp.

We spent a wonderful weekend at Camp Kanuga. It was great watching the older, middle, and younger kids work together, not only in small groups, but in doing their quiet time and during large group recreation and free time!

If it weren't for the adults and youth that volunteered and agreed to spend a weekend with 25 kids, the weekend wouldn't have been nearly as successful. Angie Somers, Elizabeth Hinson, Sydney Sauers, Carol Sauers, Terri Goodman, and Carson Smith and James Edmonds all did an amazing job teaching their small groups.

Leaving Children's Camp on such a great note gave me a great boost of confidence and an excitement for the rest of the summer! Day Camp is starting soon, and there is still time to get signed-up. Thank you for giving me your constant love and support and for standing behind me as I start this new adventure with these incredible kids!

With HIS Love,
Bryn Hobson

One week down, nine more to go! So far it's been great working here at CPBC, and I can't wait to see what the rest of the summer will bring. After being away at school, it is truly a blessing to come home to such a supportive and loving church family.

I am really looking forward to working with the youth this summer. They are a talented and energetic group who loves the Lord and each other. I am excited to see what God does in us and through us these next few weeks! Between planning for events, hanging out with teenagers, going on trips, and learning to love Christ more, I know this summer will fly by!

In Christ,
Sara Patterson
