From Your Pastor...

“We have experienced Revival!” I heard this expressed so many times last week (although maybe not in those exact words each time)! My prayer is that the revival we experienced personally and corporately will continue to grow in the days, weeks, and months to come. A special thanks is due to all of you who helped make the revival services possible. There are so many people who helped with set-up (and break-down), food and drink preparation, worship leadership, publicity, ushering, “tent-sitting,” and participation through attendance. It was truly a beautiful thing to watch different people serve in different ways according to their giftedness.

We can continue to build on the visibility that “Side-Swiped” has given our church in the community. The

spring and early summer are often peak times for families to seek out churches for worship, so we have an open door to invite new people to be a part of our fellowship. I am reminded daily what a special congregation we have. People who have joined us recently have said things like, “I wish I had known that a church like College Park existed...I would have come here years ago!” So our challenge is to let people know! I am always willing to tell people about my children because I am very proud of them. I pray we all have that same enthusiasm for telling others about our “church family” and more importantly about our Heavenly Father!

See You Sunday!

Ramon

A NOTE FROM MARY

Like newborn babies, crave pure spiritual milk, so that by it you may grow up in your salvation, now that you have tasted that the Lord is good. -1 Peter 2:1-3

In the last newsletter, I used the analogy of a baby's feeding habits with that of a Christian. I wanted to use the analogy to share one more thing with you. A few weeks ago, Rebecca was sick and I had to take her to

the doctor. After a thorough examination, he asked, "Is she still eating well?" He explained that although she wasn't feeling well, if she was eating it was probably nothing to worry about. I think this also fits our analogy. A healthy, growing Christian will be feeding on God's Word regularly whether he or she feels well or not. When things are not going well, the hunger will still be

there. However, I think when we quit feeding on the things of God, when we no longer feel that need or hunger, there is something spiritually wrong with us. It is a time to examine why we no longer desire that nourishment. A craving for the things of God is a sign of a healthy relationship with Him. It is an indicator that we desire to grow in His love and strength. How's your appetite?

Need an excuse to get back into Sunday School?

Want to help encourage and strengthen a new Sunday School class?

Are you struggling with making decisions in your life?

You are invited to join the **356 class** as they begin a study on **Decisions.**

The study will begin with an overview on May 11, followed by the 9-week study.

All are invited to join for the study. Attendance credit will be given in your regular class.

Prison and Jail Ministry

Once a month, a unique opportunity comes our way to serve those either in the Cherry Street State Prison or the Forsyth County Downtown Jail. It would be easy to dismiss the jail as a place of seeking God's children, but it only takes one trip to know that God is there. In the 142nd Psalm, David's words from the cave echo that of many today who are in prison.

Not all will be called for this experience, but if you want to experience sharing the Lord with people who are behind locked doors, call Jerry Cook at 336-519-5250. We will be updating our individual certifications to be eligible to serve inside — so please join us for the session.
