## College Park Baptist Church

1701 Polo Road Winston-Salem, NC 27106

### *From Your Pastor...*

This past Sunday we saw strong evidence that College Park is making a difference in the lives of our young people. Your support of our youth ministry has been extraordinary, and we continue to see the fruit from your investment in their lives. Our graduates will face many challenges over the next few years, but I know that they have been given a wonderful foundation that will serve them well as they make choices which will affect their lives and the lives of many others. Please continue to pray for them, as well as all of our teenagers and children!

On Wednesday nights this summer, we will be fellowshipping and studying together around the theme of ***Live & Learn***. We will begin this series on June

18th, with our *Live & Learn* session at 6:30, followed by an Ice Cream Social. (Our last school-year Family Night is June 4th, then we take a week off, and come back together on the 18th!) The calendar for these special Wednesday night studies is posted all around the church, and there are copies available at the Welcome/Information Center as well. These are also excellent opportunities to bring a friend to College Park!

This Sunday we will be studying Matthew 9:9-13, 18-26, as we worship around the theme of "*Birds of a Feather?*" Take a few minutes and read this passage, and then come prepared to worship God with us!

See You Sunday!

*Ramon*

## A NOTE FROM MARY

*Worship is giving God the best that He has given you. Be careful what you do with the best you have. Whenever you get a blessing from God, give it back to Him as a love gift. Take time to meditate before God and offer the blessing back to Him in a deliberate act of worship.*

*-Oswald Chambers*

I don't know if you have noticed or not, but the last few weeks, there has been a reminder, an exhortation, that worship is not a

spectator sport. It has been demonstrated by so many of our members, from choirs to graduates, who have led in our services. More importantly, worship is led and shared from the pews as well. In worship we give to God; moreover, Oswald Chambers says we give the best we have been given. I realize that God gives to each differently according to His will, but we give the best He has chosen to

give. That means we give the best we have physically: our voices, our postures, our attention. We give our best to Him emotionally and spiritually; we give Him praise for the blessings, and choose to praise Him when He and His blessings seem hidden from us. We give back to Him the best of the material things He has given. Are you giving to God in your worship?

Need an excuse to get back into Sunday School?

Want to help encourage and strengthen a new Sunday School class?

Are you struggling with making decisions in your life?

You are invited to join the **356 class** as they begin a study on **Decisions.**

All are invited to join the class for this study. Attendance credit will be given in your regular class.

### Mountain Outreach June 29 - July 4

Carla and Brian Hunter are excited that their children will have a safe, secure, warm home next winter. The move will take the family to a new school district — and a better school than their current assignment. They look forward to meeting our team and working with us during the build.

Pray for your involvement. Sheets are in the Smith Hall entry to show the household items we need, the people we have going, and the food items the cook team needs. We have a goal of \$24,000 for the building materials.

*Should you come? Should you donate? Should you be involved? Ask God for discernment for you and your family.*

## Can You Hear the Call?

Are you aware of your spiritual gifts? If you aren't sure, we have a spiritual gifts inventory available for you to help you discover the things that you do best and how you can use them for God's glory. You can pick up a copy at the church office or you can take the test online on our web site.

Our members have said that they want experiences and programs to discover

Christ and seek a deeper understanding of His call to "follow Him." We encourage everyone to seek their spiritual gifts and bring them into use.

If you would like help finding service opportunities in the church that make good use of your gifts and contribute to your spiritual growth, please call John Valentine at 768-2447.

*"Now to each one the manifestation of the Spirit is given for the common good."*

*"Since you are eager to have spiritual gifts, try to excel in gifts that build up the church."*
