## *From Your Pastor...*

We have an exciting Fall ahead of us as we celebrate ***Living the Faith...Building the Future!*** In Sunday School, the lessons on lifestyle stewardship have been helpful in reminding us about our freedom and responsibility as stewards with all that God has entrusted us. A capital campaign shouldn't focus on just raising money to build and/or renovate buildings. Instead, we should be focusing on how we, as good stewards, are investing the resources that God has trusted us to invest. The question is ultimately raised: "Are we investing in material things that are temporal or in ministries that impact eternity?" If we believe that we should be investing in eternity, then we must find a way to continue to expand our ministry and mission base. I am convinced that College Park has a wonderful opportunity to invest in the

future by reaching out to our community through family ministries. The construction projects that we have approved are a means to that end...they are tools that must be utilized by US if we are going to be faithful to our mission!

Any time we talk about stewardship of resources, there can be discomfort or embarrassment because each of us are at different places in our spiritual journey. Yes, I believe all Christians should be faithful to offer their tithes and offerings back to God with joy. No, I will not judge those who are not doing so, but will encourage them to seek God's guidance in leading them to that place!

It is a pleasure to serve with you!

Blessings and peace...

# A NOTE FROM MARY

A special thank you to all who made the activities of our 60th anniversary weekend a wonderful time of worship and fellowship.

Thank you to those who helped plan for all the events.

Thank you to all the artists who showed and donated their work for our art exhibition and to all who attended and participated in the auction. Thank you to all who helped set up and display all the beautiful art.

Thank you to all who set up tables, and prepared and managed Sunday's luncheon.

Thank you to those who moved instruments, choir chairs, and sound equipment for the anniversary concert.

Thank you to the choir, musicians, APB, *Eyewitness*, singers, and sound technicians who shared their talents and led worship during Sunday's service and the afternoon concert.

Thank you to all those who shared their memories of College Park with the congregation in preparation for the anniversary weekend.

Thank you to all those who are not mentioned here due to my ignorance and bad memory.

Thank you to the many members of College Park who celebrated 60 years of ministry with us and made all of our efforts worthwhile.

Our children and youth mission groups are working together with the WMU on this year's Operation Christmas Child, a ministry effort to share the joy of Christmas with children around the world. Our children and youth will be making gift boxes on **Wednesday, October 28**. We need donated items to go in the boxes. These donations (suggested list below) should be new and will be collected during the weeks leading up to October 28. Donation boxes are in the hallway outside Smith Hall. Pray for the children who will receive these boxes and help us make a difference!

**“History Highlight”**

“Together We Build” was the capital campaign title to finance the first church expansion in 30 years. In 1995, Mrs. Dare Smith made a monetary gift of \$250,000 to the Together We Build campaign. In recognition of this generous gift to the church, the new fellowship hall was named O. E. Smith Hall, in memory of the Smiths and their devotion to our church. Mr. and Mrs. Smith are pictured above. Church members toured the new building on January 5, 1997, and occupied the classrooms for the first time the following Sunday. Smith Hall and the new building were dedicated on May 4, 1997. Please note that we need everyone to sign the “timeline” in the hallway outside Smith Hall by this Sunday if you have not already done so.
