From Your Pastor...

We are beginning a wonderful season in the church calendar! Springtime brings with it many activities and special emphases in worship. Let me give you a preview:

This week is **Mother's Day**. Normally we would have Parent/Child Dedication this Sunday, but because our baby boom is so recent, and still on-going, we will have the dedication service a little later in the year;

The following Sunday, May 16th, is our annual **"In Praise of God"** service with our choirs leading the service;

The next Sunday, May 23rd, is **Youth Sunday**, and we know what a joy it is to have our youth lead us in worship;

The next Sunday is **Memorial Day** weekend, and each year I look forward to this special service and remembrance;

The next Sunday, June 6th, is

Graduates' Sunday, when we recognize those who have completed different levels of academic achievement;

Sunday, June 13th, we will celebrate the ordinances of the **Lord's Supper** and **Baptism** together;

The next Sunday, June 20th, is **Fathers' Day**.

In addition to our regularly scheduled worship services, we also have two special services of ordination during the next few weeks, including Ward Page's ordination service on Sunday, May 23rd, at 4:00pm, and Matt Wilson's ordination service on Sunday, June 13th, at 4:00pm!

We have so much to celebrate as a congregation, and I hope you will take the opportunity to invite others to worship during the upcoming weeks!

Blessings and Peace,
Ramon

A NOTE FROM MARY

It is a wonderful discovery to find that you are a temple, that you have a church inside of you, where God is. In hushed silence, attend to him. The Lord is in his holy temple. -George Fox

*Easy for a Christian to work **for** God but not minister **to** him. We can go through worship services to “get good feelings.” Worship is a ministry to God himself. God has made us with energy and intelligence. If we don’t spend them on God, we’ll spend them on ourselves...Stand before God. Be attentive to him. Stand at attention. Stand as a servant stands before his master. The world says, “Don’t just stand there, do something.” Christ says, “Don’t just do something, stand there.”* -Anne Ortlund

The Great God values not the service of men, if the heart be not in it: The Lord sees and judges the heart; he has no regard to outward forms of worship, if there be no inward adoration, if no devout affection be employed therein. It is therefore a matter of infinite importance, to have the whole heart engaged steadfastly for God. -Isaac Watts

Coming soon!

A Sunday School class for Newlyweds and Young Married Couples with no (or very young) children. Interested? Contact Mary in the church office.

Spring Cleaning in Basement

June 6 is bulk pick-up day. During the month of May, the church basement doors will not be locked. If you are responsible for decorations, Kentucky donations, youth equipment, Team IAM material, VBS, church supplies or ANYTHING else filling up the basement, please MARK all items you want to be kept. All unmarked items will go to the curb for bulk pick-up.

Summer Mission Project

College Park’s annual house-building project in Williamsburg, Kentucky will begin on July 4. We will provide a home for Dina Durnil and her four daughters. More information about the family will be coming soon. Prayerfully consider your participation in this wonderful opportunity to put hands and feet into loving your neighbor.

The Bible Study Class is beginning a series of lessons focusing on the significance of Old Testament Scriptures—studying history and prophecies of the birth of Christ—as the foundation and rise of Christianity. The Scripture to be discussed will be posted on the classroom door (Adult Three hall) a week in advance. Everyone interested in these topics, or in one particular Scripture, will be welcomed. The class is led by Carol Teeter and Ed Hendricks.

MAY IS NATIONAL STROKE PREVENTION MONTH

Do you have high cholesterol or high blood pressure? Have members of your family suffered from these ailments? Do you have a poor diet? If you answer "yes" to any of these questions, you may want to consider being screened for your risk of stroke through the services of Life Line Screening. Life Line Screening uses ultrasound technology to view the plaque build up in your carotid arteries, the main arteries that carry blood to the brain. Blockages in these arteries are a leading cause of stroke. **We are pleased to host this Life Line Screening event 5/28/2010 at College Park Baptist Church.** Register for a Wellness Package with Heart Rhythm for \$149. All five screenings take 60-90 minutes to complete. Your health is in your hands, so call 1-888-653-6441 for more information or to pre-register.

Thank You

The Barbecue Dinner was a huge success thanks to the hard work and generosity of many people. The money raised goes to support Youth Missions, which provides the opportunity for our young people to step out in faith to reach others with the Good News. The friendliness, enthusiasm, and energy of our youth during the event represented our Church well to our community.
