College Park Baptist Church  
1701 Polo Road, Winston-Salem, NC 27106

## *From Your Pastor...*

I want to thank the children of *Sing For God*, who helped lead us in worship during the 9:00 **Re:Creation** service last week. They did a wonderful job singing with the band, but more importantly, they demonstrated the joy that comes through worshipping our God. (Thanks also to all the parents for getting them there on time and to Craig and Tammy Cashwell for their leadership of this great group of children.) I also want to give a “shout out” of thanks to the technical crew that works behind the scenes, making the **Re:Creation** service possible. They work all week making sure all of the pieces are in place, and we are so grateful for their service! (Jeremy H, Steven, Fred, Trey, and Dakota...thanks!)

It is an exciting time to be a part of Sunday School at College Park! I happened to be near the Adult 1 area Sunday morning and counted 15 people in

the Career Class...a high attendance record for them, I think. Also the new couples class (Couples 101) had 6 people and is off to a great start! Koinonia and Theophilae classes have grown to the extent that we had to find them both larger rooms. This is a great sign for our future, and it is great to see the progress!

We also have a lot of excitement around the church this week, because it is Preschool Day Camp! You can feel (and hear) the presence of these precious children all through the building! I agree with the statement of the late John Wooden who said “do not mistake activity for achievement,” but I also know first-hand that achievement in preschool ministry involves a lot of activity! Thanks Casey and youth helpers for a great camp.

Blessings and Peace,  
*Ramon*

# A NOTE FROM MARY

*Let us cry out to our Father to so fill us with His Spirit that our lives brim over, spilling His life and joy like refreshing rains on a tired and cynical planet.*  
—Vernon Grounds

I was struck when I read this by the word *cynical*. I have never heard that word used to describe the world as a whole, but I guess it is not untrue. We live in a world in which people are so self-centered and motivated by their own gain, that rarely do we trust those who have not already proven themselves to us. We question everybody, no longer trusting even those in professions once considered most trustworthy. Even Christians are not immune from drawing cynicism from others. Why is that? Unfortunately, in a lot of ways we have done it to ourselves by living lives that don't proclaim the hope of Christ. So, I wonder: What if we lived lives that were so full of God's Spirit that joy and life spilled over for all to see? What if we lived lives in which God's priorities and ours were the same? What if we lived lives that proclaimed hope for those who have given up on hope? Call me the optimist, but I truly believe we could be a refreshing change in a hardened, lonely, cynical world.

**A Sunday School class for Newlyweds and Young Married Couples with no (or very young) children is beginning in room F101. This class will be led by Joseph and Melanie Alexander.**

### Summer Mission Project July 4 - 9

On July 4, College Park will travel to Williamsburg, KY. After a Sunday evening organization meeting, we will begin work early Monday building a new house for the Durnil family. The Durnils currently live in a public housing apartment. Their unit has decayed and is no longer safe for habitation. On Friday morning, the completed house will become a home for Dina Durnil and her 4 daughters, Shantel, Brooke, Kayla, and Alissa. Can you be on the team? Can you send some household goods? Can you pray for the project and the family? See the sign-up table to commit to go or to give.

## The Facility Update Committee

wants you to know that we have listened to recent input from our church body on the approved construction projects. In doing so, we discovered a way that will allow us to begin the renovation of the education building while continuing to pursue the new addition with the funds we already have on hand. We are excited to announce that this new information has offered us the opportunity to move forward very soon with the renovation of the preschool hall! This is the time we have all been waiting for!

***Stay tuned for more construction details!***

## CHILDREN'S MINISTRY

### New Check-In Process for Preschool Families

At College Park, nothing is more important to us than the safety and security of your children. That's why we've chosen **KidCheck** ([www.kidcheck.com](http://www.kidcheck.com)) to bring you the best experience in child check-in and to provide you, as parents, the ability to act as a team with us to keep them in safe hands. We need all preschool parents to sign up for your free account at [www.kidcheck.com](http://www.kidcheck.com). It is very easy and takes just a few minutes. Instructions are in the mail to assist you. If you have any questions, please feel free to ask Jeff!

### IN THE HOSPITAL

Our prayers and support are offered to the following members of our church family who are, or have been in the hospital during the last two weeks:

*Jennifer Allen*  
*Marcellus Waddill*

Christian love and sympathy are extended to Sarah Fuqua in the death of her mother and to Roby Walls in the death of his daughter.

## YOUTH MINISTRY

### Youth Signup for Mountain Outreach

**June 20**

One of the highlights of our youth calendar for the summer is always Mountain Outreach. It is such an amazing week - it is hard to imagine how working so hard can be so much fun. The youth play an important part in the week and we want all our teenagers to be a part of this trip. The cost is \$100 for the week and includes lodging, breakfast and lunch each day, and transportation. To sign up for the trip, please turn in the entire amount by Sunday, June 20. If you have any questions, just ask Jeff or Becca!

Notes of appreciation have been received and posted on the bulletin board from Whitney Pernel and from Bill & Mary Nell Page.

## SENIOR ADULT MINISTRY

### College Parkers

**June 17, 11:30 a.m.**

The *College Parkers* will meet on Thursday, June 17, at 11:30 a.m. to enjoy a delicious covered-dish meal. Jerry Cook, one of our own, is "on mission" in the world of commerce and business. He will address the challenge of living our faith away from the church.

#### **A Request From Properties Committee**

Many groups use our facilities each week. We must ask for your help in being good stewards of our properties by turning off lights when activities are over. As personal budgets tighten, so does the church budget and we can all help reduce our utility bills by being more conscientious about using the utilities wisely and being responsible to turn off both lights and air conditioning. The thermostats have the capability of being turned up or down for a 2-hour period by pressing only the temperature buttons. Please do not set programs for occasional activities, but use these temperature buttons. We appreciate your help with this request.
