From Your Pastor...

Next week we will send a group of college students and adults to Charleston, SC for a Spring Break Mission Trip. These college students give up a part of their Spring Break to go do some vital home repairs in an area of Charleston where there is a strong need. But as we've discussed in the past, we don't go just because there is a need...because there is always a need...somewhere...by someone! We go because we feel called by God to go to the place where He is leading us. We have worked with Jimmy Creech for eighteen years, helping him provide the physical security of a safe house for many who are unable to provide that for themselves and their families. Physical safety is one of the most basic needs according to Maslow's Hierarchy of Needs (second on the pyramid above basic physiological needs), so helping provide this security is a vital ministry.

Please pray for this group as we go to work together, laugh together, and extend

the warm fellowship of College Park beyond these walls!

Before we leave for Charleston, our college students will lead us in our morning worship services. I invite you to come and be a part of these special services, and bring a friend with you to church!

The following week we will begin a five-week series: *"Love at Last Sight."* This series will focus on Christ-like relationships and what that means for us as the body of Christ...worshipping and working together, and then extending those relationships into the world around us. Please pray for our church as we learn together!

See You Sunday!

Blessings and Peace,

Ramon

A NOTE FROM MARY

Almighty God,
 Do take care of all our physical needs
 so that we come to know that you are the only source of everything good
 and that neither our work and worry
 nor your gifts can do us any good without your blessing.
 And so help us to give up our trust in creatures
 and to put our trust in You alone.
 Through Jesus Christ, our Lord. Amen

Summer Mission Committee

The Summer Mission Committee has been working on an alternate location for our traditional Mountain Outreach building project. It has been a source of joy to College Park members to provide a complete home for a needy family every year. We are happy to report that we have a new location to do this exciting service.

The committee has made several trips to Grifton Mission Ministry in Pitt County, NC. After Hurricane Floyd, College Park assisted with repairs to 13 homes in this area. It is the recommendation of this committee that we travel to the Greenville area (about 3 hours away) and build a home for a needy family. The coordinator of Grifton Mission Ministries, Billy Tarlton, will work with Pitt County officials to select the family. There will likely be some building funds available to help with the cost of construction. We anticipate the cost to College Park to be comparable to previous years.

There will be information presented on Wednesday, March 2 and 16. The committee will be available to answer questions on Sunday, March 13 between 10:30 and 11:00 and 12:00 and 12:30. The church will vote on Sunday, March 20.

There will be a called church conference on Sunday, March 20, during both morning services to vote on this recommendation from the Summer Mission Committee. The recommendation is to build a home in Pitt County on July 2 - 8, 2011.

She accompanies congregational hymn singing for worship and prepares weekly postludes as well as additional music for our services.
