From Your Pastor...

Last Sunday was **“Plus 1 Sunday,”** and we had many visitors in both services! It is a blessing to see how some of you really took this seriously and brought people to church with you! Others told me stories of how the person you invited was not able to come last Sunday, but did agree to come soon. All of these stories are great to hear, and they are encouraging for us as the body of Christ. Keep up the good work, and let’s make PLUS 1 an every Sunday kind of thing!

This Sunday is **Youth Sunday**, and I am really looking forward to hearing about our youth mission trip to Jamaica! I have heard stories from my daughter, and I look forward to hearing from the whole group how God used them...and blessed them! I am so grateful to be a part of a congregation who not only sees the importance of providing these experiences for our youth, but also gives them the chance to lead us in worship! Makes plans to be with us this Sunday (and maybe bring some of those who could not come last week).

I would like to again thank our *Facility*

Update Committee and Finance Committee for all of their hard work in gathering the information we need to make decisions about expanding our ministry base here at College Park! As I stated in the letter that was mailed to the congregation:

While financial data may be helpful, the bigger picture is painted by our God who desires our faithfulness and obedience to His work. Thankfully, He provides for our needs as we step out in faith to follow His calling.

I know that God requires us to be good stewards of all that He Has given us. But I also know that He provides the means to accomplish the mission He sets before us! The danger in trying to figure it all out ahead of time is that we usually cut God (and thereby faith in Him to provide for us) right out of the equation. We serve a God who honors faithfulness...not fear of the unknown. Please join with me in praying that God will give us the faith and courage to ask the right question...

Blessings and Peace,

Ramon

A NOTE FROM MARY

My life flows on in endless song; above earth's lamentation.
 I catch the sweet, though far-off hymn that hails a new creation.
 Through all the tumult and the strife, I hear that music ringing.
 It finds an echo in my soul. How can I keep from singing?
 What though my joys and comforts die? The Lord my Savior liveth.
 What though the darkness gather round? Songs in the night he giveth.
 The peace of Christ makes fresh my heart, a fountain ever springing!
 All things are mine since I am His! How can I keep from singing?
 No storm can shake my inmost calm while to that Rock I'm clinging.
 Since Christ is Lord of heaven and earth, how can I keep from singing?

HOME

Hands On Mission Effort

College Park is again planning to construct a home for a family in need. This mission will take place July 1-6 in Pitt County, North Carolina. We will be partnering with Grif-ton Mission Ministry to construct a home for Mrs. Waller, her daughter and grandsons.

Our summer mission has traditionally been one which involves most of the members of our congregation in various ways. Workers are needed as are funds for building supplies. Our financial goal is \$28,000. Also needed are household furnishings, food and drinks for workers, and much prayer.

Please seek God's guidance as to how you can be involved. More details are forthcoming.

HOME Committee members are Roger Jones, Barbie Kale, and Carolyn Matthews.
