From Your Pastor...

As I write this article, I am watching our children arrive here at the church for **Preschool Day Camp**. As I watch them arrive, I also noticed several of our teenagers showing up to help with the camp...and wait, there are some adults coming in too... It serves to remind me that we are in this life together! God created us for fellowship...with Him...with each other. And it takes the whole body to carry out the mission that God has placed before us. This relates to total stewardship: we should commit our time, talents, and treasures to God for His purposes...and for His glory! When the church is the church, there is no stopping it because it is the hands and feet of Jesus Christ! But when the church is the church, we should expect the world to be the world! What does that mean? Well....that's Sunday sermon so I'll have to leave it hanging for now...kind of a teaser...See you Sunday!

Last week in Winterville was a wonderful experience for those of us fortunate enough to be able to make the

trip! It is such a blessing to be able to work with Billy Tarlton and Grifton Mission Ministries to provide the security of a safe home to a family. There was plenty of "sweat equity" invested in the family, and there was some great team-building among our people. People of all generations were working shoulder-to-shoulder (sometimes literally) to accomplish the goals of our mission, and all of us were blessed by the experience! In the coming weeks you will be given a second chance to be a part of this mission as we assemble work groups to go back to Winterville to complete specific tasks related to the new home!

What do we do when we face unknown storms? How can we continue to give God the glory when it seems all of life is crumbling around us? These are the type of questions we are answering together on Wednesday evenings this summer...come join us for **Facing Unknown Storms!**

Blessings and Peace,
Ramon

A NOTE FROM MARY

In all seriousness I make this definite practical proposal: believe in your city. What else? In Jesus Christ. What about Him? That He wants to make your city better; that that is what He would be doing if He lived there. What else? Believe in yourself-that you, even you, can do some of the work which He would like done, and that unless you do it, it will remain undone. How are you to begin? As Christ did. First He looked at the city; then He wept over it; then He died for it.

-Taken from the book *Celtic Daily Prayer*

I have to add that, just as the church is not a building, just as a home is not the structure, a city is not just a place. It is made up of people, many of whom are hurting, many of whom have never experienced the love of Christ in a practical way. Know that God has called each of us, you and me, to see them, *really see them*, love them, weep with them, and give ourselves to them and for them.

Without A Trace

THANK YOU COLLEGE PARK!

Your prayers, your food, your furniture, and your financial support are appreciated. The College Park HOME team has returned with no accidents and helped build a dry home for Mrs. Waller and her family. The house exterior is finished. Our good friend, Billy Tarlton, and Grifton Mission Ministry will finish the interior of the home. Winterville is in a high wind zone and the building codes require a slower, more laborious style of construction.

God blessed our team with good weather for the week. He blessed us with a community of officials who appreciated us and cooperated with us on all inspections. God is great and good and enabled the team to be an effective witness for Him.

Family Mission Day #2

August 11

One of the things we love to do is to serve God's people in our community. We have one more Saturday this summer when our congregation will stop and serve people in our community. We will divide up into small teams made up of people from all the generations. These teams will be tasked with small projects—no more than 3 hours—that meet the needs of pre-selected families. Come help us serve God by loving His people in tangible ways.
