## From Your Pastor...

Last week's *Graduates' Sunday* was a wonderful time of celebration! We have a long history here at College Park of raising fine young men and women who step out into the larger world and represent our Lord and this fellowship very well! This graduating class has already exhibited that potential for wonderful things to come, and we are proud of their accomplishments to this point! We are also very blessed to have a Youth & Children's ministry that invests so much in our children to bring them to this point! I think every single graduate mentioned this fact as part of their remarks, and it is so true. We are truly blessed to be part of a community of faith where so many people love and encourage each other. As we send another group out, please continue to pray for them (and their parents too!)

This summer is going to be a great time together! We are only a week or so away from *Father's Day*, and a little over three

weeks until we go back to Grifton, NC for our *HOME* mission project! In addition to these, we also begin a new series on summer Wednesday nights called "*Fielder's Choice*." We will follow a similar format to previous summers, which has worked very well to encourage fellowship and community. Instead of a video driven series, we are going "live," and different members of our staff will share a passage of Scripture that has been significant in their lives. I am really looking forward to it! These summer studies are also wonderful times to bring new people into the fellowship of the church. The more relaxed format offers us a chance to get to know new people very quickly, so look around and find some people to invite!

Also stay tuned for an announcement very soon regarding the dedication of our new building projects...we're getting close!

Blessings & Peace,  
*Ramon*

## CORNER

When individuals climb into the senior adult years, they think that they will be winding down, becoming less active, less passionate about life. But for the follower of Christ, the senior years offer opportunities for giving of oneself in new ways. New avenues of serving Christ often open for senior adults, and the later years become prime years also. Job had lived a good and blessed life, but also endured some

of the worst suffering we can imagine. How glad we are when things leveled out for him once again, and he received again abundant blessings from God's Hand. We can appreciate the verse near the end of the book of Job, "The Lord blessed the latter part of Job's life more than the former part." (Job 42:12) Never think that God is finished with you, because He is not!

**A Time of Prayer** - If you would like to come and pray together for our church, friends and family, please join us this Thursday, June 6, 10:00 a.m. in the Coffee Room.

If you know of a member who needs to receive a monthly visit/contact from someone on the **Home Ministry Team**, please contact Alice Wilson or Christa. Our team meets June 5, 5:00 p.m. in the Coffee Room.

**College Parkers** will gather June 20 at 11:30 a.m., welcoming as our guests a men's trio from Pfafftown Baptist Church. Bring a dish, bring a friend and join us!

Some **trips** coming up for our seniors: Lion King in Charlotte, August 24 (waiting list only), Caswell, August 19-22 (waiting list), and a trip to Myrtle Beach, November 20-22, including Christmas shows. If interested in the Myrtle Beach trip, please contact June Crabbe. We mention those with waiting lists because of occasional cancellations.

Mark your calendars for our **Women's Retreat** at Montreat Conference Center, October 11-13. The leaves should be beautiful, Rev. Martha McDowell will bless us, and the fellowship will be good. Registration begins soon.

The **Grief Support Group** would like to continue meeting monthly, so the next meeting will be July 14. Anyone is welcome to join us.

#### **Plan to help with the H.O.M.E. project from June 30 to July 5!**

For the third year in a row, College Park is partnering with Grifton Mission Ministries to provide safer living conditions for the residents of Pitt County. In previous years, we have had the opportunity to build an entirely new house from the foundation to the furnishings, replacing old condemned houses with brand new houses! Unfortunately, Pitt County is experiencing a funding shortage and is unable to provide the same assistance for a whole house project this summer. Taking the time to build whole houses has made a huge impact on a few of the residents of Winterville. However, this year we have the opportunity to make a difference in the lives of a greater number of residents by building ramps that attach to their houses. This year we will still be able to work side by side to construct the ramps in a centralized location. Once a ramp is complete, a smaller team will install the ramps at their new residence. Each year the community has taken notice of our Christ-like love as we help to provide for those in need of assistance. Let's continue this year, not for our own recognition, but to be the body of Christ and shine His light in the darkness.

**... A Giving Testimony...**

As I was growing up, my mom was a widow raising two small children as a single working mother. She didn't make much money, but I always noticed that she put her envelope in the collection plate every Sunday. When I asked her about this, she instructed me that we are always to "pay God first." She then went on to tell me that during tough financial times when she didn't know how she could tithe and also have enough money to live on, God always provided. She shared with me numerous examples of this including one that has always stuck with me. One month she didn't know how she would make it to the end of the month financially. She went ahead and put her tithe in the collection plate anyway. The following week, "out of the blue," she received a phone call from a savings and loan company that had found an old account. It was an account that my father had opened and the amount in it was just enough to get her through the month!

She also taught me that God expects those of us who are blessed to use those blessings to give back and to bless others. The expectation was to tithe. I cannot say that our family has always tithed our full 10%, especially in the early years of our marriage. But over the years, we increased our giving each year until we reached our 10% tithe and have kept tithing ever since. And my mother was right, God has always provided! We have done our best to pass these same lessons on to our children.
