From Your Pastor...

For the next five weeks we will examine together what it means to **“Be the Message.”** St. Francis is quoted to have said: *“Preach the Gospel at all times and when necessary use words.”* In a nutshell that is the premise of Be the Message. If we are walking with the Lord daily, our lives should point others to Christ through everything we do and say. Unfortunately we probably talk too much, and many times our talk doesn’t match up with our walk. For the next five weeks we will be learning more about what it means to Be the Message as well as practical steps to help us improve in our efforts to be the hands and feet of Christ. Certainly these are messages for the body of Christ, but they are also wonderful opportunities to

invite other people. Maybe if those who do not know Christ come to an environment where believers admit their failures and work hard to improve, they will come to see us as more “real” and less hypocritical.

I don’t believe it’s an accident that the last Sunday of our Be the Message emphasis is also the Sunday we will have our annual **Fall Festival**, this year combined with **Treat Street**. Both of these events give us an opportunity to bring people into an environment where they can witness and experience the love of Jesus! Please pray for these, and all of the missions and ministries of College Park!

Blessings & Peace,
Ramon

Bad will be the day for every man when he becomes absolutely content with the life that he is living, with the thoughts that he is thinking, with the deeds that he is doing, when there is not forever beating at the doors of his soul some great desire to do something larger, which he knows that he was meant and made to do because he is still, in spite of all, the child of God. -Phillips Brooks
