FROM ONE MINISTER TO ANOTHER . . .

Sunday was yet another red letter day for our church! What a great heritage is shared by College Park Baptist Church. I know of few churches which are blessed with two Pastors Emeriti. Charles Edwards and Foy Martin continue to mean so much to our church and we are thankful for both of them.

Looking ahead at our church calendar, I notice that Mother's Day is just around the corner (May 12). As has been true in other churches that I have served, College Park shares in a service of Dedication of Homes and Babies on Mother's Day. If you are one of those families desiring to dedicate your baby, please give us a call at your earliest convenience so we can adequately plan for that celebration.

This Sunday as we continue our celebration of the season of Easter, we'll look at Peter's experience with the resurrected Christ. What a lesson of hope and inspiration is there for us. You may want to read Mark 14: 15-72 in preparation for our time together.

On Wednesday evenings (with the exception of April 24, the date for our quarterly Church Conference), we're looking at some of the Old Testament giants of the faith to learn important spiritual lessons from them. All in all, the next weeks hold great promise for us, and I look forward to seeing you here as we celebrate our resurrection faith together!

RAMON'S UPDATES

...So is being a believer the same as becoming a disciple? In a word...NO. But being a believer IS the first step toward becoming a disciple. You see a disciple is someone who follows the ways and teachings of the teacher. Jesus is our teacher, and He gave us the perfect model for how to live our lives. God's Word is rich with the day to day activities of our Lord...how He cared for people, and proclaimed the glory of His Father. When Jesus called the first disciples, He told them to follow Him, and He would make them "fishers of men". They understood that analogy, because fishing was the essence of life for them. As fishers of men, they committed themselves to modeling their lives after the Master's, and a vital part of that was pointing others to Christ. That is what fishers of men do...point others to Christ. Unfortunately, it seems as if Christians have lost our desire to point others to Jesus...we have lost our desire to be fishers of men. Christ's own words lead me to ask the question: "If we are not fishers of men, are we following Christ?" A faithful reading of scripture would seem to say "no". Again, believing is just the first step. If we want to become a disciple of Christ, we must follow Him, and if we are following Him, we will be fishers of men. God's Word is very clear. My prayer is that we would begin to take seriously the command of Jesus to follow Him...understanding fully what that means!

We have a new logo, as well as different promotional items that will help get the word about College Park into our community. If you would like a T-shirt, cap, polo shirt, tote bag, mug, or denim shirt with our new logo, you can pick one up on Wednesday nights or in the church office. Using these items will give you many more opportunities to tell others about the wonderful ministries of College Park, and may even give you the chance to lead someone to Christ!

Jeff's Notes

I'll restate the obvious and say that Sunday was a great day at College Park. The various aspects of our worship brought us closer to God and enhanced our community. I am especially grateful to our bell choir and to the combined children's choir. This Sunday, Jenny, the girls and I will be away meeting my parents for a little "grandparent time." Danny Lloyd will be ably leading our worship music. I am grateful for his willingness to serve.

Calling all choir members: In preparation for our music celebration Sunday on May 5, we will have a joint rehearsal (*Cherub Choir* through *Grace Notes*) on Wednesday, May 1, at 7:30 p.m. in the Sanctuary. Please plan now to attend.

MOUNTAIN OUTREACH

Mountain Outreach is the annual house-building mission trip for which College Park is famous! It is time to begin preparations for this summer's project. Details and sign-up sheets will soon be available. Our advance team has met our family and is excited about helping them. We will build a home for Jeff and Pamela Siler and their four children, Walter, Melissa, Lisa, and Shawn. The children are ages 15 to 24, so we will use their assistance with building. Our financial goal is \$14,000.00, and the fund is open to receive your donations. Your prayers for the preparations, collections, and safety of our teams are always coveted.

If you have furniture or household goods to donate, call the church office. If you are available to assist with making collections, call Roger Jones (722-9667).

Thank-you notes have been received and posted on the bulletin board from Mahautta Hartsoe and Marjorie Turner.

The following dates are available for sanctuary flowers:

May 5 **June 30**

Our prayers and support are offered to the following members of our church family who are, or have been in the hospital in the last week:
