RAMON'S UPDATES

Most of us have multiple opportunities during the course of a week to talk with others about faith issues. Whether it's a discussion about war, the Middle East, or terrorism, we have a chance to share our own belief system and the hope and security we have in Jesus Christ. We may also have the chance to invite others to be a part of a community of believers like College Park and learn more about Jesus through worship and Bible study. We now have more tools to help you in your efforts to invite others to church. At the Welcome Center, there are brochure-sized invitation/information cards for you to take to your business or to businesses that you frequent on a regular basis. We have the clear acrylic holders for these that you can get from the church office. There are also "boy-with-the-bowl-of-peas" door hangers that you can pick up to distribute in your neighborhood. All of these are just tools...tools that need someone to use them. They do not do the work by themselves, but they certainly make our job easier as we seek to reach out to others in our community!

NEED LABOR?

Are you interested in finding young backs to help you with late spring cleaning, summer chores, or full-time summer employment? You may post these requests on the bulletin board beside where the drink machine used to be on the bottom floor of the educational building. Our youth will be checking this board regularly! If you have questions, feel free to call the Job Board Administrator, Allen Rawls, @ 945-2688!

Jeff's Notes

I am in the enviable position of sharing my feelings on yesterday's child dedication as both a staff member and a parent. I am grateful for the service and what it means to us as parents and for what it will come to mean for both of our girls. In the bigger picture, I am also grateful that we all share in a community of faith, a church family, where the commitment to nurture all of our children in the faith is something worth sharing together in worship and something worth sharing together in the week to week acts of being a church. Thanks be to God.

Handbell Ringing Class - Singing Class

Both of these classes will be offered during the summer months on Sunday evenings. Each is open to all youth and adults. They are designed for those with an interest in developing the skills related to each. The classes will begin the first of June. If you have any interest in either of these classes, you may give me a call this week so I can begin to plan for each group.

FAMILY NIGHTS WILL CONCLUDE WITH BARBECUE FELLOWSHIP

Our Family Night suppers will conclude Wednesday, May 22, with a church-wide barbecue meal and fellowship. Children are invited to join adults for the evening, as their mission groups will have concluded.

We will use the same reservations that are used for regular Wednesday suppers. We must have all reservations/cancellations by **Tuesday, May 21!!**

BUILDING SECURITY CHANGE

It has been necessary to have the locks on the exterior doors of the church rekeyed. Therefore, anyone responsible for opening and closing the buildings will need to come by the church office and secure a new key. The old keys will no longer work as of Friday, May 10.

Staff Anniversary

Sunday, May 19, will mark the 5-year anniversary of Jeff Parker's ministry at College Park.

New Arrival

We rejoice with Stuart and Kim Teeter in the arrival of their son, Noah Carol.

Christian love and sympathy are extended to Joyce Baxley in the death of her brother.

Needed... Messengers from College Park to attend the Pilot Mountain Baptist Association Annual Meeting on July 28!

MOUNTAIN OUTREACH

The Siler family is ready for our team to build a safe, durable home for them. We are in need of a washer and dryer, a stand-alone electric stove, a deep freezer, a queen-size bed frame, and dressers. Other items needed are on the table in the church hall. The sign-up list is waiting for your family! We will have a large item pick-up this Saturday, May 18. If you can help, please call Roger Jones.
