FROM ONE MINISTER TO ANOTHER . . .

Even though school is back in session, Labor Day generally marks the end of the summer season in our minds and we launch a new church year in our organizations. The Sundays of September will be devoted to that new beginning. Our general theme will be: "Growing in Grace."

We postponed our joint service with Grace Community Church, but will join with them on Sunday evening, September 8, at 6:00 for that service. I'll bring the message and they will lead in the music that evening.

We are approaching another very significant date to everyone. Who is not aware of the impact of last September 11 on our lives? Now, a year later, on Wednesday, September 11, we will join with the Northwest Baptist Church to share in a special service of remembrance and hope. They will join with us for supper and we will all gather in our sanctuary for that special service at 7:00. Supper will be served from 5:00 to 6:30 and we will move into the sanctuary at 6:45 for a time of quiet meditation, followed by our 7:00 service of worship.

This Sunday's message will remind us of the wondrous grace in Christ which we receive as Christians. You may want to read Hebrews 9:1-15 as you prepare for our focus on "The Day of Atonement." I look forward to seeing you this Sunday, if not before.

Jim Baucom

RAMON'S UPDATES

This Monday will mark the beginning of 5 consecutive Mondays during the month of September! As you have probably already heard, we will call each of these **“The Park Monday.”** If you have a piece of clothing with our new “The Park” logo (t-shirt, polo shirt, cap, denim shirt, or even tote bag), you should wear that on Mondays wherever you go, whether school, work, or play! If you do not have a clothing item with the logo, you may purchase one from the church office or on Wednesday nights. If you do not want to purchase clothing, you can pick up one of our free metal-back “campaign-style” buttons on Sunday mornings during September. As you go about your schedule on Monday, be ready to answer and invite when people ask you, “What is ‘The Park’?” For those of you who have a difficult time trying to introduce the subject of church, this will help “bring up the subject.” But be prepared, because I am confident God is going to use our efforts to reach new people for Christ. As you talk with people, remember the upcoming Harvest Crusade at the coliseum, September 13-15 at 7:30 each night, and also our “Block Party” on Sunday, September 29th, beginning at 6:00pm

In response to your input over the last couple of years, we have decided this year to have **Children’s Promotion Day in Sunday School** on Sunday, September 8th, instead of Labor Day weekend! Rising four-year olds, kindergarteners, and grades 1-6 will meet in the Chapel at 9:30 for a special time of singing and fun, and will then leave for their classes with their new teachers. We will also have special prizes for the children who bring the most guests, and a gift for each child, so kids get out there and invite your friends to church on the 8th!

As we focus on the importance of Christian education during the month of September, let me challenge us all to renew our commitment to Bible study...both corporately (through Sunday School), and privately (during our daily worship times). We also need to remind ourselves of the importance of discipleship training...that is, learning more about how Christ would have us to pattern our lives after His. We will begin the fall quarter of Discipleship University on Sunday, October 6th...please plan to attend.

**** YOUTH MISSION TRIP TO HAITI ****

Here’s how you can help:

- **pray** for this trip, that God will use us to touch lives for Jesus;
 - attend the **Fund-Raiser Spaghetti Supper** on Friday, September 6th, 5:30-8:00pm;
- use your **Lowe’s Foods “Green Points”** to buy school supplies and place them in the box near the Welcome Center;
 - bring “hotel-size” soaps, shampoos, etc., and place in box near the Welcome Center

Thanks, in advance, for your help!

Jeff's Notes

My thanks to the members of our *Sanctuary Choir* and *Channels* for their great music last Sunday evening at FANFARE. It seemed that everyone had a good time. Our music year is off to a great start. I want to re-emphasize two special services that are coming up in the next two weeks. We all are being reminded through the media that September 11 is just two weeks away. As Dr. Baucom mentioned in his article, we will be joined by Northwest Baptist Church that evening for a prayer service. We will be led in that service by Dr. Baucom, Ramon, Randy McKinney (Northwest Pastor) and a combined choir. We, as staff members, have spent considerable time in prayerfully seeking what should be our appropriate response to this tragic anniversary. We were of one accord in feeling that a reflective service of remembering and that prayer would meet the needs of the most people. I encourage each of you to be in prayer for this service and for all of our country as we prepare for this day. As a reminder, the combined choir will be rehearsing on Sunday, September 8, at 7 p.m. in our Sanctuary.

Don’t forget the opportunity we have to help the students of **Speas School**. In order to build unity and pride in the school and to assure that each child has something “appropriate” to wear, the school is asking students to wear solid colored “polo” shirts (short or long sleeve) and cotton “khaki” pants (any solid color). We will be accepting donations of these items (new, any size) to be taken to the school for those students who cannot afford to buy their own. We will begin collecting immediately and will continue for several weeks.

Ainesis Rehearsals begin September 8 at 4:30 p.m.

YOUR HELP IS NEEDED TO COMPLETE MT. OUTREACH 2002!

Preliminary numbers indicate that we need an additional \$3,500 to complete Mt. Outreach for 2002. Our costs were higher than estimated due to: 1) approximately \$600 to rent the truck to transport the supplies for the Siler home (a large truck was donated in the past); 2) \$600 for a new electrical distribution box (our box was stolen last year); and 3) material costs were up about 10% this year. An additional \$3,500 would pay the approximate \$1,500 in outstanding bills, replace the \$1,000 budget line and allow us to carry over approximately \$1,000 for next year. If you have any questions, contact Roger Jones. Please help us to complete this wonderful outreach ministry.

Our Gratitude

The Deacons would like to publicly thank the Space Utilization Committee for their efforts and affirm the fine work they have done on behalf of the congregation. They have exhibited wisdom and leadership in dealing with a difficult and emotional issue. Please join us by personally expressing your gratitude for the job they have done.
