**FROM ONE MINISTER TO ANOTHER . . .**

Last Sunday was a very significant day as we decided together about whether to broaden the use of the chapel or not. To say the least, that has been an emotion-laden decision and many have agonized about what would be the best direction to take as a church. Now the decision has been made and it is time for us to turn our attention to the broader ministry of our church. I have been so pleased with the spirit which the majority of our fellowship has reflected to me. What a loving church this is!

Most of all, we have sought to do what we believe the Lord would have us to do. There have been far too many churches that have been divided over bricks and mortar. To those who have felt it would be unwise to remove the pews from the chapel, let me urge you to wait until you see the final product before you make final judgment. My prayer is that we have found a "win-win" solution to this issue. Let us resolve to reflect Christian love for one another as we continue to minister together.

Now, this weekend will provide an opportunity for us to share in the **Greater Triad Harvest Crusade**, which will be held **at the Lawrence Joel Veterans Memorial Coliseum, this coming Friday, Saturday and Sunday evenings.** I know you will want to be a part of those services.

This Sunday morning, we will continue our monthly emphasis on *Growing in Grace*. We will share in the Commissioning of Church Leaders for the coming year and our message will be drawn from Exodus 3:1-12, entitled, "Who? Me?" God has great things in store for us as we seek to always be in the center of His will. I look forward to seeing you Sunday, if not before.

*Jim Baucom*

# RAMON'S UPDATES

"The Park Monday" has already worked! Several of you have shared with me how you have been given the opportunity to share your faith just because you had your button/shirt on! Thanks for those encouraging reports. Remember, "The Park Monday" is every Monday this month!

Final preparations are taking shape for our **BLOCK PARTY** on Sunday, September 29th! **YOU CAN HELP** by picking up some door hanger invitations and maps to distribute to people in our community! These will be available for pick-up this Sunday morning, next Wednesday night, and Sunday, the 22nd! This is a minimal time commitment that could yield some great fruit! Please decide today to help with this outreach effort!

## College Parkers Monthly Meeting

Thursday, September 19

11:30 a.m.

**Special Guests: *The Glory Street Gospel Quartet***

**Speas School Update:** Thanks to all of you who donated shirts and pants for the children of Speas School. Last week we delivered 48 shirts and 18 pairs of pants to the school. We will continue to make the donation box available for a few more weeks, particularly wanting to provide long-sleeve polo shirts for the children. In addition, we are looking for volunteers for two events at the school. On **October 15**, we will be hosting the faculty of Speas School for a luncheon. This is a great opportunity to show our love and appreciation for the adults that work with the students daily. If you would like to help with that luncheon, you can contact me or Carolyn Ely. Secondly, each month the school administration likes to allow teachers in a certain grade level to have lunch off campus. We will be asking for volunteers who will be willing to assist and supervise a class (with the help of a PTA volunteer) while the teacher is away for lunch. This would be a one-time, 1 1/2 hour commitment. The first opportunity to help in this way is **Thursday, September 26, at 12:20 p.m.**, when we will need **5** volunteers to assist 5th grade teachers. Please contact Jeff if you are willing to help.
