# RAMON'S UPDATES

This Sunday, January 19th, I will be away with our high school juniors and seniors on a leadership training retreat. This is a wonderful time to help our students understand how God has gifted them for service and how they can use their gifts within the context of the youth group and the church. Please pray for us as we travel and learn together. Seth Smith, our Ministry Associate here at College Park, will be bringing the morning message. Seth is a student at the Wake Forest Divinity School, and has a true servant's heart. He is excited about the opportunity to preach God's Word to such a wonderful congregation! I know you will want to be here to hear what God has given him to say.

This Sunday night, our Adult Bible Study will be led by Chuck Barbee. He will begin an exciting overview of the book of Daniel. This will be a wonderful study that will take several weeks to complete. We will not have Adult Bible Study next week, January 26th, but will resume on February 2nd. Discipleship Training for all ages will begin on Sunday, February 9th.

Our Coed Primary Basketball Clinic began last Thursday, and we had about 25 children here for this wonderful time of fellowship and instruction, including many children who are not members here (yet)! If you know of a child grades K-3 who might be interested in joining us, the clinic is each Thursday evening from 6:30-7:30. A special thanks to all the parents who stayed and "mingled" with our guests.

We have seen several new faces in worship with us during recent weeks. As I follow up with these guests, they almost always comment on how many people spoke to them during their first visit here. I've known for some time that College Park is one of the most inviting and receptive churches, but it is always good to hear that we haven't "lost our touch." Keep up the good work!

Our prayers and support are offered to the following members of our church family who are, or have been in the hospital in the last week:

*Polly Clark, Madie Gaither,  
 Blanche Phillips, Kathy Smith*

What a wonderful day we shared with you this past Sunday! Throughout the fifteen months that we shared together you have proven to be such a loving, supportive congregation, and we have truly been thankful to have been a part of College Park Baptist Church. And then, to have experienced such a wonderful sendoff . . . well, what can we say except a deep-felt thank you.

You have truly blessed us in so many ways and will always hold a very special place in our hearts. The plaque that you presented, which shows such a lovely picture of the church, will always hold a prominent place in our home.

Be assured that you will be in our prayers as you move ahead into what the Lord has in store for College Park. You are truly a special people with such a wonderful future. We love you and appreciate you so much. God bless you!

*Jim and Mary Lee Baucom*

Even when services are held in inclement weather, each person should use his/her own discretion about trying to get to church.

Wednesday evening services and activities will be cancelled if school is closed because of snow or ice.

## 2003 SANCTUARY FLOWERS

We are deeply appreciative to those who placed memorial and honorary flowers in the sanctuary during 2002. They were a beautiful testimony to the glory of God and a blessing for all to enjoy. **Each year we begin with a new flower calendar.** If you would like to place special occasion, honorary or memorial flowers in the sanctuary in 2003, please call the church office. The following dates are available in the first quarter:
