We have heard your concerns about the quality of our sound system in the Sanctuary. At the Church Conference on April 23, the church voted to establish a designated fund to receive contributions toward a new sound system. When we have received \$15,000 in this fund, we will take the remaining monies needed from Capital Improvements to purchase and install a system that will allow everyone to hear and enjoy the services.

What a wonderful worship experience we shared together last Sunday! We have a tremendous music ministry here at College Park, and we are grateful to Jeff and all of our music leadership. If you had to miss this service, you will definitely want to pick up a tape or CD! Thanks again musicians of all ages for using your talents to praise God!

This Sunday, we will begin our *Home Improvement 101* series! In addition to being **Mother's Day**, we will also celebrate the gift of life with our **Parent/Child Dedication** time during morning worship. This is truly an exciting time for our church as we continue to see beautiful new children grow in our community of faith. We look forward to seeing you on this special day!

I am truly grateful for the worship experience we shared together on Sunday and for the time of fellowship at the appreciation luncheon. I want to express my thanks and that of our entire church family to each choir member for their commitment to God and this church. I also want to thank each leader who offers not only rehearsal time each week, but hours of preparation to help our members develop God's gift of music in each of them. One final word of thanks to Nancy and Tom Hurst, Robert Huff, and Chancel Brown for their efforts in making our luncheon a special occasion.

I will miss our weekly rehearsal times over the summer, but look forward to other opportunities that a summer schedule will allow. We will again work toward scheduling both a singing class and a handbell class on Sunday evenings beginning in June. If you have an interest in either, please let me know.

CAPITAL CAMPAIGN TO CONTINUE

The first three years of our Capital Campaign, "Fulfilling the Promise," will conclude on May 14. The final phase of our campaign will begin on May 15. Our debt balance as of May 1 is \$447,837.08. It is our goal to completely retire the remaining debt within the next three years, or sooner. With your prayers and commitments, this is entirely possible! Many of you have already turned in your new pledge cards which were mailed to your homes. If you did not receive a pledge card, they are available at the Welcome Center.

As of May 4, we have received pledges totaling \$227,414.00. In order to continue our current payment of \$15,831.69 per month over the next three years, pledges are needed in the amount of \$569,940.84. Our Finance Committee recently negotiated with our lender to allow us to pay \$8,000.00 on the first of each month, with the balance of \$7,831.69 being paid after the monthly Finance Committee meeting, at which time it is determined if funds are available. As of this date, we have been able to make the complete \$15,831.60 monthly payment as originally scheduled on this loan.

Please pray about your future commitment to retiring our debt.
