From Your Pastor...

This Sunday is one of my favorite Sundays of the year...Youth Sunday! This is the Sunday when we can see, in a more focused way, how much our young people are learning about worship and worship leadership. Youth Sunday is not about our teenagers performing like trained seals...it's about them using their talents and spiritual gifts to lead us in worship. As such, I know you will want to come and participate in a wonderful worship experience as we worship around the theme of "The Journey."

You may remember the Re-Vision Process that we experienced together several years ago. As a result of that process, we rediscovered just how important community is to us as a church. We also discovered that we had a strong desire to expand our ministries to families and students. It was this process which shaped my thinking regarding the job description for the new staff position that Jeff Allen has so ably filled. We are also excited that we are in a position to continue expanding these ministries to families in our community. Please pray for Jeff and the summer interns who will continue to reach out and touch the lives of children, blessing them, and pointing them to Jesus Christ!

Bring a friend, and we'll...

See you Sunday!

Ramon

In Touch...

It is hard to believe that we are just a few days away from the beginning of the graduation season. That's right, in just a few short weeks, thousands of college students, graduate students, and high school students will be walking across countless platforms to receive hard-earned diplomas and honors. Songs will be played, motivational speeches will ring true (maybe not), tears will be shed, and caps will fly high into the air as the tassels have been moved signifying such a momentous achievement. It is an important occasion in the lives of so many, including many of our own people.

In order to celebrate this achievement as a church, we will be having a Graduate Sunday service on Sunday, May 16. We want all graduates to be honored during this time and we need to have their names and other information into the church office by Wednesday, May 5. We think we have everyone on our list, but just to be safe we are asking **all graduates** to please contact the church office by May 5 so that we can be sure to recognize them during the service on May 16.

The remaining days of school are always frantic, emotional, and prolonged. Let me encourage you to take a few moments and reflect on how God and others have blessed you this year. Take time to be still and know that He is God.

A thought for the walk,
Jeff A.
