From Your Pastor...

Memorial Day...often we do not observe the day as it should be, a day where we actively remember our ancestors, our family members, our loved ones, our neighbors, and our friends who have given the ultimate sacrifice. As we prepare for the Memorial Day weekend, let me suggest that the web-site: www.usmemorialday.org/observe.htm for suggestions on how you and your family/friends can observe the day in a way that might be more beneficial than attending Memorial Day sales at the mall. We also need to teach our children the day's meaning. You don't have to believe in war or support military action to still honor those who died in service to their country, as General Logan stated in his famous [General Order #11](#) (which officially proclaimed Memorial Day): "let us in this solemn presence renew our pledges to aid and assist those whom they have left among us a sacred charge upon a nation's gratitude, the soldier's and sailor's widow and orphan."

What a difference a day makes... This Sunday is Pentecost Sunday, and we will look at what a difference that day made. You may read the second chapter of Acts if you want to "be ahead of the curve"...

Bring a friend, and we'll...

See you Sunday!

Ramon

Choir Robe Goal by May 31: \$11,000
Received to Date: \$4300

Contributions for the new robes can be made to the Music Enrichment Fund.

As Ramon has mentioned, Sunday is Pentecost (the day set aside to celebrate in worship God's gift of the Holy Spirit). Certainly, when we think of the Holy Spirit we think of a guide and a comforter. It is so much more though, for the Spirit actually fills our very being with the "presence of Christ." This is what calls us to together as a community of faith and calls that community to worship, and it is this "inspiration" that enables us to worship.

*One Spirit unites God's children,
it burns with a steady flame to gladden the hearts of the faithful who gather to praise God's holy name!*

As each of us nurtures the Holy Spirit within, we can live a life of joy, which overflows into worship, which in turn overflows into ministry. I am looking forward to sharing in this time of worship with each of you.

Jeff

 **Meet Our Mt. Outreach Family for 2004**

Noel Powers is the father of 3 children: Tyler is 8; Hannah is 6, and Noah is 4. Noel works for a landscape company, and his mother (who lives next door) helps with the children after school. They currently live in a very old trailer. A fire destroyed one end, the plumbing does not work, and the electricity only works part of the time. The family is excited about getting a secure, safe home.

College Park will work hard to build a new home for this family. Please see the information table in the Smith Hall breezeway to sign-up to be part of this mission effort. Keep the family and our work teams in your prayers!
