From Your Pastor...

It was a wonderful week in Kentucky, and Sunday was an appropriate time of closure for the mission effort. As we discussed Sunday, the basis for our unity as the body of Christ is dependant on our relationship with God. We sometimes make the mistake of trying to use events as the *basis* for unity, when these events should be the *result* of our unity. I feel so fortunate to be a part of a church that is united with Christ and strives to serve Him in our missions efforts! FYI: Our Mountain Outreach Celebration will be Wednesday night, August 4th...plan now to attend!

A special word of thanks to Matt Wilson, our Youth Ministry Intern, for his leadership last week in Kentucky. Also a special thanks to our fine group of youth and college students who are shouldering more and more of the load in this mission effort!

My family will be away this week on vacation in Indiana. We are thankful for a few days to get away and relax, but you will be in our prayers each day! Next Sunday, our Children's Ministry Intern, Ward Page, will be bringing the morning message. I know you will want to be here to hear him and worship together.

Bring a friend with you this Sunday!

Mountain Outreach

Mountain Outreach 2004 is completed! As a result of the vision of College Park, Noel Powers and his three children are enjoying a completely furnished brand new home.

The missions team was able to complete the construction ahead of schedule and found some time to relax and fellowship with one another. Their efforts were a clear witness to those in the community of the love of Christ in action.

Make plans to join us on Wednesday, August 4, as we celebrate what God has accomplished through us.

Our building costs exceeded the original estimate of \$20,000, so all monetary donations are greatly appreciated.
