From Your Pastor...

It has been a wonderful Spring, and we are looking forward to an equally fantastic summer! One of the most asked questions we get is related to our summer schedule for Wednesday nights. For the last couple of years we have met each Wednesday night during the summer for fellowship, food, prayer, and Bible study. We will continue that short-lived, but important tradition this summer! We will begin on Wednesday, June 1st with a new series entitled "NOT SO Well-Known People in the Bible." This should be an interesting and fun study of different people in the Bible that we seldom hear mentioned, and what contribution their presence made to the revelation of God through His people! This will be an excellent time to invite new people to College Park, because the schedule is more relaxed, and there is a strong emphasis on fellowship! Watch for more publicity information as the time draws nearer!

This Sunday is another very special day in the life of our church as we say "Congratulations" to those who have reached another important milestone in their lives...Graduation! In is very gratifying to see our young people continue to grow and seek God's direction in their lives, and many will be making very important decisions in the coming months. Our responsibility to them is to continue to pray for them as they grow in God's grace! (I think it would also be wonderful if you could be here Sunday to shake their hands or give them a hug!)

We'll see you Sunday!
Ramon
