From Your Pastor...

This Sunday we will gather in worship for our third week in our **Home Improvement** series. We will look at John chapter four and discover that *"Healing Is Available for Your Home."* We will also remember those who have served our country in our armed services as part of a special Memorial Day service. It will be a memorable day, so come and join with us!

We will begin on Wednesday, June 1, with a new series entitled *"NOT SO Well-Known People in the Bible."* This should be an interesting and fun study of different people in the Bible that we seldom hear mentioned, and what contribution their presence made to the revelation of God through His people! This will be an excellent time to invite new people to College Park because the schedule is more relaxed, and there is a strong emphasis on fellowship! Watch for more publicity information as the time draws nearer!

We'll see you Sunday!

Mt. Outreach

Mt. Outreach is College Park's annual house-building mission project. We need a hundred people, \$20,000, and many donated furnishings and snacks to complete the house. Between now and July 2, your donations of money and goods are desired. Specific items are posted on the board outside Smith Hall. All furniture and appliances must be in good repair. Items can look used, but not worn out. Money can be in any condition. If you have large items to be picked up, call the church office and leave your information. Teams will make pick-ups on June 11, June 25, and July 2. Please pray about how you can support the Wolfe family with your time, money, and donations.
