From Your Pastor...

Our Mission ...

*“A people gathered in
Christ;
nurtured in His Spirit;
and sent in His name.”*

We have experienced much as a congregation over the last couple of months. We have sent out missionaries to Kentucky and to New York City, and both of these missions remind us that the time we spend in worship helps prepare us for the daily missions opportunities we will be given. Many times that involves “getting dirty”...being stretched beyond our comfort zone in order to help others who need our help. We heard from our Kentucky missionaries this past Sunday evening, and we look forward to hearing from our New York missionaries during the LIFE service on Sunday, August 28th. With God’s direction, we have accomplished much...and that should spur us onward to new missions!

I am convinced that God will show each of us ways each day that we can serve him! The temptation is to plan our daily schedule, and complete the tasks we know must be completed, and at the end of the day check off each task...somehow that just seems like we’ve programmed God out of our life. I understand we need to structure our lives, but I just wonder if we take it too far and, in doing so, remove all hope of God breaking into our day with “God moments” that can enrich our relationship with Him. Think about your typical day... Does your attitude make room for the gentle tug of the Holy Spirit, or will He need a 2 X 4 to get through?! Ask...then listen...He can remold you into His image!

*"Whatever you do for one of the least of these brothers of mine, you do for me."
Matthew 25:40*

Every year summer seems to get shorter and shorter. You know how the saying goes "Time flies when you're having fun!" I can't think of a better way to sum up the summer.

I have been going to church here ever since my family moved here when I was 3 years old. Now I am 22 and getting ready to pursue a Master of Divinity from Campbell University. I don't really know what God has in store for me while I am attending school; however, no matter where He sends me, College Park will always hold that special place in my heart.

The trips we go on and the things we do may be forgotten, however the people we experience these things with become memories, and those memories become treasures in our hearts. I can't express how much love I will always have for the people of College Park. Thank you for helping me grow in my faith and please keep praying for me as I go out to seek God's will for my life, as I will keep praying for ya'll and thanking God for the times we have had.

"In Christ there are No Good-byes..."

It seems like just yesterday I was walking into the office wondering what tasks the job of music intern could possibly entail. Well, I certainly found the answer to that question much sooner than I thought I would, as I was "baptized by fire," as Ramon put it, as I was suddenly directing the choir, helping coordinate the new L.I.F.E. service, leading music at funerals, helping with camps throughout the summer, and working with Ramon to help provide the congregation with the best possible worship experience...not to mention the prestigious golf committee that I found myself appointed to.

This summer internship has been a great experience for me, as I hope to use all that I have learned to help me in the future, especially as I attempt to decide what I would like to do after college. I only have one year left at Wingate University, which in itself is a scary thought, but it is amplified by the thought of not being sure of what is next. But I have faith that I will figure it out in the upcoming year, and I know that you will be praying for me and I thank you for that. Thank you for giving me this opportunity to learn and grow as your music intern this summer, and thank you especially to Ramon, Jeff, Joan, and Gail for putting up with all three interns, and to the choir for putting up with me all summer.

Forever Grateful,

Jeremy Cauble

Dear Friends in Christ,

God has allowed me to be transformed this summer! The people of this church have given me genuine love and support, and for that I am sincerely grateful. The children (and youth) of College Park have blessed me in ways that I didn't know were possible. I ask that you keep me in your prayers as I journey back to school. You will remain in mine.

Love in Him,

Lizzy Boyles
