May you find the joy of God's love and grace as we share this time together. *Each year as we share the great story of Christ's birth through music, we are blessed by the reminder of God's great love for us in the giving of His Son. We are blessed by the knowledge of His plan to reconcile humanity to Himself. We are blessed by His infinite grace. We are blessed by the knowledge that the Almighty Creator and Sustainer of the universe would come as a helpless babe in the lowliest of places.*

*I am reminded as well of the year-round blessing of working alongside the members of this church. I am blessed by the faithfulness of choir members who practice late in the middle of the week, come to extra rehearsals, listen to me get picky, and show me grace when I am stressed and irritable. I am blessed by musicians who practice long hours outside of our rehearsals in order to be ready to help teach the music. I am blessed by so many people behind the scenes who get music ready, set up the platform area, listen to me give technical instructions (when they know more than I do!), and help out in countless other ways. Thank you for all you do. Thank you for making my job such a joy.*
