## *From Your Pastor...*

### *Our Mission ...*

*"A people gathered in  
Christ;  
nurtured in His Spirit;  
and sent in His name."*

We will welcome Mary Keltner as our new Associate Pastor/Music & Education on Sunday, September 10th! I know you will want to come and greet her and her family as they begin their time of service here at College Park! There will be much for them to do as they get "settled in," and I know that College Park will respond as various needs arise in this transition time!

As we begin a new church year and start back with our fall programming, let me challenge each of you to be involved in personal and small group Bible study. As you've probably heard me say before: we worship a Holy God, but one of the best ways to grow more like Him is to read and apply His Word. I believe Sunday School is one of the most important organizations in the church because we are able to study together and learn from each other. If you are not involved in a Sunday School class, come this Sunday morning at 9:30, and we will suggest several classes for you to try!

In a couple of weeks we will also begin Discipleship Training for the fall quarter, and we will have more details for you on Sunday and Wednesday evenings!

#### THANKS FOR A GREAT SUNDAY!

This past Sunday was a busy one for the people of College Park. We started the morning off with our Sunday School Celebration. We enjoyed great food and fellowship. A big “thank you” goes out to all the members of the Preschool, Children, and Youth Ministry Councils who helped make phone calls and set up Smith Hall. Also, “thank you” to everyone who provided food - it was a feast! A big “thank you” goes to John Downs, brother of Leigh Ann Pernell, who entertained, challenged, and surprised everyone who was there (especially me!) with his “tricks.” I need to say a special “thank you” to all the teachers who give of themselves week in and week out. Sunday School could not happen without you and I am grateful for your service! Finally, to everyone who came and enjoyed the celebration, thanks for supporting College Park’s Sunday School. It is the prayer of this church that you find encouragement and a deeper understanding of God’s Word whenever you come to College Park.

The morning worship was especially powerful. I am excited to serve at a church that values young people. It is important to pause and consider all that students, teachers, and parents do to educate young people both inside the church and in school. A great way to show support is to commit to praying for them continually. The service this past Sunday was indicative of the support CPBC has always given. Thanks for the support of our students and especially the prayer partner ministry!

A final thank you to the Family Enrichment Committee for a great Sunday Night at the Park. It was a fitting end to a wonderful day at College Park. The food was great and the fellowship was fun!

I look forward to seeing you each and every Sunday. Let’s bring that same energy we had this past Sunday every time we get together. Something pretty amazing could happen!

Jeff

# **SERVE NOW...HERE'S HOW**

*So in Christ we who are many form one body, and each member belongs to all the others. We have different gifts, according to the grace given us.  
(Romans 12:5-6)*

One of the greatest privileges and responsibilities we have as believers in Christ is to use the gifts God has given us to help build up and encourage other believers. It takes many people to fill the many responsibilities in the church. Sometimes, we want to serve but we are not sure what volunteer opportunities there are in the church. With this in mind, we will keep the list of currently open serving opportunities in the newsletter until all the positions are filled. If you have questions about the specific responsibilities, feel free to call Jeff at any time. Prayerfully consider the following posi-
