## *From Your Pastor...*

As I write this, we are experiencing revival! It has been such a joy to be a part of these services, and we have seen the moving of the Holy Spirit in ways that many of us have not experienced before...and that's a good thing! As I said a couple of weeks ago on Wednesday evening, we need to leave the door open for God to do something awesome and unique through us. Too many times we think that in order for there to be a genuine spiritual awakening it has to look like one of the previous spiritual awakenings throughout history. Actually quite the contrary is true...each awakening had very unique circumstances and characteristics. But one thing that each had in common was the fact that they began with the faithful prayers of God's people asking God to send renewal/awakening. Another common characteristic is God's people were willing to put aside selfish goals and ambitions to seek the will and ways of the Father.

For each of us, we must ask ourselves: "What now?" We have been through **90 Days of Focus**, Holy Week, celebrated Easter, experienced revival...so what now? This week we will ask that question as we gather around the theme of "**Making the Difference.**" For the next two Sundays we will explore making the difference in our relationship with God and in our relationship with work associates and school friends. My prayer is that you will come to church ready to encounter the Holy God in worship and hear His voice as scripture gives us insight in these two areas of Christian living!

## A NOTE FROM MARY

I cannot tell you how much I have enjoyed springtime in Winston-Salem! The city has been just beautiful, and I have been amazed at the beauty of the flowers and trees in bloom. I even received a wonderful surprise when I discovered that all those trees in my yard were flowering ones. I suddenly have the dogwood I have been wanting all these years (tell me God doesn't know what He is doing!). As beautiful as the landscape has been, I am convinced that there is something far more beautiful: the flowering Christian. You see, a lot of those trees are flowering in the beginning of a fruit-bearing process. They are blooming, taking in nourishment, and beginning to grow. I have to admit that over the years I have seen Christians of all ages who have dried up and quit bearing fruit, and they are not always the most pleasant people to be around. However, I have also been around some Christians who are incredibly beautiful, not because of their physical attributes, but because of their growth. They are soaking in every bit of God that they can, and in doing so, they begin to attract attention. People can't help but notice them. They give witness to Who has caused them to blossom and they begin to bear fruit. We were created to blossom and bear fruit. John 15 depicts how God prunes us and strengthens us to bear fruit.--the key is remaining in Him.

## IN TOUCH...with Jeff

When the summer is just a few short weeks away, our intern ministry gets kicks into high gear. The church just approved the hiring of Sara Patterson, Family Ministry Intern with Youth, and Bryn Hobson, Family Ministry Intern with Children, for this summer. I am excited about both of these young ladies.

Sara and Bryn both grew up in this church and served the people of College Park with great devotion. They are feeling God calling them into some form of ministry. The positions they will be filling this summer will help them further define that call. Both ladies need the prayer support and the vocal encouragement of our entire congregation. The intern ministry is a blessing both to these ladies and the entire church. Thanks for supporting the calling of young people into ministry with our young people.

## CHILDREN'S MINISTRY

### Children's Celebration

**May 6**

It is time again for the best Children's Worship time—better known as Children's Celebration. Make plans now to be at church for this special part of our ministry to our children. This will be a great time for the children to experience worship in their own way!

### Children's Camp for 1st-6th graders

**May 25-27**

So many people have been asking about this year's children's camp and here is all the information you need! We are headed back to Camp Kanuga in the mountains of North Carolina. This was a great place to have children's camp, and we are looking forward to another great weekend of activities. We will be enjoying Bible study, worship, recreation, and a great time together. It is going to be so much fun. **The cost for this retreat is \$90.** If there is more than one child from a family going, the second child pays \$75. **Sign-up deadline is May 16** so get the **entire balance** to Jeff so that he can put your name on the list!

## COLLEGE MINISTRY

### Exam Pack Snacks Needed!

**April 29**

It is almost time for this semester's exam pack run. We need food donations to help make this trip around North Carolina successful. Please show your support to our college students by providing individually wrapped "goodies" for exam packs. These can be homemade or store-bought items. Please bring your contributions to the **Adult I area by Sunday, April 29!** Thanks for supporting the college students through this valuable ministry.
