From Your Pastor...

One of the benefits of last Sunday's service is the reminder that God inhabits the praise of His people! What a wonderful time of worship, led by our choirs of all ages! Special thanks to Mary and all of our music leadership for all of the work and preparation that preceded our worship service. Music is such a powerful gift for allowing us to express ourselves to the Giver of Life!

This Sunday we will gather for worship around the theme of "Remembering." This weekend is Memorial Day weekend, and for many it will be a time of remembering loved ones who have served in the service of our country. It is good for us to remember their service and sacrifice. We will expand that theme to examine what happens to God's people when we fail to

remember the lessons we have learned or when we make a conscious effort to forget past experiences. It will be one of those "journey through the Bible type sermons," so I did not list a particular scripture. Come ready to explore and learn together!

On Sunday, May 31st, we will celebrate the second decade of College Park, and our worship time will feature many of the songs that were popular from 1959 to 1969...a decade of rapid expansion and growth for us. It will be a great time to remember and celebrate.

Come join us this Sunday, and bring a friend with you!

Blessings and peace...

Ramon

A NOTE FROM MARY

I have seen you in the sanctuary and beheld your power and glory. Because your love is better than life, my lips will glorify you. I will praise you as long as I live, and in your name I will lift up my hands. My soul will be satisfied as with the richest of foods; with singing lips my mouth will praise you.
-Psalm 63:2-5

As *Psalm 8:2* was rehearsing the other night, we had a discussion about why we sing. One of the questions I asked them was, "Have you ever been so happy that you just started singing or humming for no reason?" We talked about sometimes being so joyful and thankful and full of God that it comes out in singing. Sometimes our hearts are so full, we can't help but sing. Ironically, I read a quote by Billie Holiday that talked about her time in prison and how during that time she never had the urge

to sing. I understand that feeling as well. I have had times in my life in which I couldn't have sung if I tried. My heart would not let me.

However, there have been moments when I heard music which took me from a heart without song to a heart filled with song; when after listening, I was so reminded of the greatness of God that I had to sing.

As we have celebrated God's majesty, power, glory, mercy, and love in our *In Praise of God* service, it is my prayer that no matter what your circumstance when you walked through the door you were confronted with the greatness of God in such a way that you left with a heart so full of praise for Him that you cannot keep silent. This is my prayer for you not just this week but each week.

The Church exists for nothing else but to draw men into Christ, to make them little Christs. If they are not doing that, all the cathedrals, clergy, missions, sermons, even the Bible itself, are simply a waste of time. God became Man for no other purpose.

“History Highlight”

In 1951, the growing church membership necessitated the election of a planning committee to study the possibility of constructing a new church building. Preliminary architectural drawings were submitted, but the estimated construction cost was too high for the membership. Meanwhile, church members contributed to the building fund through regular and special offerings, and the plans were redrawn and approved for a one-story, more affordable building. Finally, on September 13, 1953, church members walked a short distance across a field near the small church, and broke ground for a new chapel.
