## A WORD FROM OUR SUMMER INTERNS

### REBECCA EDMONDS

Family Ministry Intern with Children  
email - [children@collegepark.ws](mailto:children@collegepark.ws)

Hello! My name is Rebecca Edmonds. I am currently a religion major at Furman University in Greenville, South Carolina. I will be going back to Furman in the fall to begin my sophomore year. I have attended College Park Baptist Church my whole life, and I am delighted to say that I will be the new children's intern for 2014. I am so excited to be working at College Park this summer!

I applied for this internship because I wanted to explore ministry to see if it is where God is calling me, and I could not be more thankful to have received this job for the summer. College Park has supported me through everything, and it is a blessing to continue to be supported and feel the love that I do through this new adventure that I will be undertaking this summer. I hope to teach the kids as much as I can about God and work with them on their understanding this summer; although I will be helping with teaching the kids, I know I will learn a lot myself.

The children's department has a lot of fun planned for this summer from elementary and preschool day camp to sports camp. We began our journey this summer with children's camp Memorial Day weekend and with how well that went, I can tell it will be a wonderful summer! I am so excited to work with each and every kid that comes to join us. I have already had the opportunity to get to know quite a few of the kids while at children's camp. God has truly blessed me with the time to work at this church this summer. I cannot wait to see what the rest of the summer holds for us!

### DAVID HODGE

Family Ministry Intern with Youth  
email - [youth@collegepark.ws](mailto:youth@collegepark.ws)

Hello College Park Baptist Church, I wanted to start off by saying thank you for the way you have treated me and my family. The way you have opened your arms, embraced us, made us feel welcomed, and at home. I also want to thank you for the opportunity to serve as

the Youth Intern. As many of you know I am attending Gardner-Webb University working toward my Masters of Divinity with a concentration in Christian Education. My goal is to become a Youth or Children's minister, so this chance to serve and learn that you are providing will help me reach my goal. I also have a Bachelors degree in Elementary Education and Sociology. I feel that I will be able to use all three degrees while serving the Lord. I am married to Grace and we have two wonderful girls Paisley who is 9 and Skylar who is 7.

I love being here at College Park and being around such great and loving people. I feel that the church has provided many ways for me to serve the people of the church. I coach the adult softball teams and also have coached the high school boys basketball team. Some of you may not know I also worked here as the Wednesday night cook for a couple of years. From the stand point of both an employee and a member of this church, the way this church treats you never changes. The church embraced and welcomed me as an employee and they have done the same for me as a church member. I hope I can give back all that this church has given me. I pray that I can serve God and be a positive role model for the children and the youth of the church.
