## A WORD FROM OUR SUMMER INTERNS

### DAVID HODGE

Family Ministry Intern with  
Children and Families  
email - [children@collegetpark.ws](mailto:children@collegetpark.ws)

Hi! I am David Hodge and I will be your Family Ministry Intern with Children and Families this summer, and I want to thank you for this really cool opportunity. I am currently attending Gardner-Webb University working toward my Masters of Divinity with a concentration in Christian Education. The children's department and I plan on working very hard to create an environment that will allow LEARNING and FUN this summer. There is nothing better than seeing a kid's eyes light up with excitement when they conquer a new skill or figure out a new concept we are teaching.

I hope to see the children of College Park and the children outside of College Park come and enjoy the summer at the church. We have started our engine this summer already with children's camp Memorial Day weekend. It was an exhilarating ride from start to the finish as

we learned about 1 Corinthians 13:4-8 and what love really is. The children loved it, and so did I. If this is any indication of how the rest of the summer is going to stack up, then hold on for an exciting race to the end!

I am very grateful to the people of College Park for allowing me to further fuel my passion for working with children and youth through this internship. I am excited about working with the familiar faces and also growing those new relationships. The relationships that I have gained here at College Park are outstanding and are ones that I hope to keep throughout my life. Be sure to encourage children that you know to come be a part of the fun.

### AVERY PATTERSON

Family Ministry Intern with  
Youth and Recreation  
email - [youth@collegetpark.ws](mailto:youth@collegetpark.ws)

Hi there! My name is Avery Patterson, I am the new summer youth intern here at College Park and I couldn't be more

excited! I am going back to the University of North Carolina at Greensboro in the fall to start my junior year, majoring in Parks and Recreation with a concentration in event planning.

I am very blessed to have this opportunity; I grew up in College Park so to be able to come back and work with a program that had such a huge part in my spiritual growth is amazing.

I wasn't planning on interning here until the last minute, but I believe I have been called to be here for the summer and I am excited to see how God will use me, and what he will show me while working in the church!

I hope to help our youth grow in their relationship with the Lord while inspiring them to discover their gifts and talents as I learn about mine as well! I pray that this summer will be an experience of finding passion and wonder in God's love as we continue and begin to prepare for the next school year.

We have a lot of great trips and opportunities planned for this summer, so check out the rest of this newsletter for more info!

Thank you so much for all the support you have shown me so far, and please continue to pray for the staff, our youth, and me.

# FAMILY MINISTRY

One of the best ministries that College Park offers is our internship program. For several summers we have hosted so many interns in our children and youth ministries. These positions have proven beneficial to both the church and the interns. This ministry has been a great place for students to experience what it is like to work in a church so that they might be able to flesh out what God is doing in their lives.

including some new recreation duties. We wanted to let the church know that this position is now taking applications. This position is currently funded from August through December 2015.

Anyone interested in the position should give Jeff a call. Applications are due by July 26. Candidates for the intern positions are often college/grad students who feel called either to vocational ministry or to some kind of work in childhood/adolescent/recreation education. Jeff is open to receiving questions or names of potential candidates. Use the contact info below.

## **FAMILY MINISTRY ASSOCIATE**

### **Intern Position Open**

**Applications due July 26**

Recently, the church voted to expand one of the intern positions. The Family Ministry Associate will work in various areas of our Family Ministry
