SUMMER FAMILY INTERNSHIP OPEN

One of the best ministries that College Park offers is our internship program. We currently have one summer position open. The intern works either in the children's ministry area or the youth ministry area. This would depend on the interest/skills of the candidate. The intern would be given specific duties within those age groups and work together with other staff to create the summer family ministry.

Applications are being received. All college/divinity school students interested in teaching or call to ministry are welcome to apply.

Find out more information including forms to download on our website. Go to www.atthepark.ws/interns.

Please be praying for our group as we travel. We trust God has something powerful in store for us.

The Thread

We are taking a walk through the New Testament this year as we uncover the thread that runs from beginning to end. These stories help us to frame what God is doing in history and how we fit in.
