College Park Baptist Church

It seems like no sooner do we talk about summer arriving, that we begin talking about school starting back. Let us rush things, there is still plenty of summer left and family time to spend together! Let me challenge you to make fellowship a priority in your life, not only because it is enjoyable, but because it helps “*build up the body of Christ!*” Our study of Ephesians continues during the month of August, and the building up of the body will continue to be an overarching theme in our worship times.

That same theme should play out in our daily lives away from the church as we encourage believers, and not-yet believers, to grow through shared experiences with other people. In our “smart phone society” we have begun to lose contact with daily interpersonal communication. Let me

challenge you to actually call next time you are tempted to just text message someone. And during that phone call, ask them how they are doing. Do not accept a one-word answer...ask for details. I understand the convenience of text messaging and social media, but I fear we are losing contact with each other in a significant form of communication. This week I began wondering how Jesus would have utilized modern forms of communication, and at what point He would have pushed back against it... Anyway, I think you get my point...let’s do a better job of talking with each other and really speaking words of encouragement. Deal?

Blessings and Peace!
Ramon

A NOTE FROM MARY

Have you ever listened to handbells and thought, “That looks like fun! I wonder if I could do that?” Now is your time to find out! You are cordially invited to join our first handbell practice of the year, September 9 at 7:00 p.m. in the chapel. We will go over some handbell basics and look at some easy music. Come try it! You might decide you really like it! If you can count, you can probably play. Come join a group that laughs a lot (mostly at ourselves) and loves to play.

Grace Notes are looking for ladies who will join us in using music to minister to our community. *Grace Notes* meet each Tuesday at 10 starting in the fall. If you have a heart for reaching out to others and enjoy music, we would love to have you join us. *Grace Notes* start back September 11. See Mary for more details.

Request for Help

Plans are being made to continue Wednesday night fellowship meals, but help is needed.

Meal team leaders/meal team helpers/servers/set-up/clean-up/occasional help when available or as needed.

Please let Carolyn Matthews know if you are willing and able to help in any way.

If you are not able to volunteer for a regular meal rotation but you or a small group (such as a Sunday School class) can prepare one or two meals during the year, that will help a lot.

YOU plan the menu.

The more people involved, the better!

Thank you!
