

HIGHLIGHTS

College Park Baptist Church

1701 Polo Road, Winston-Salem, NC 27106

We have some exciting news coming in regard to our Fall/Winter Missions opportunities. I will be outlining those opportunities during our morning worship services on Sunday, September 8th. In addition to this news, we also have more news about our Summer Mission project in 2020. I will be bringing that news on September the 8th as well, so you definitely don't want to miss that Sunday!

I can tell you that we will have a great fall, working on local and regional mission projects, and at the same time learning what it means to walk in a spirit of anticipation! Anticipating what God is going to do as we invest our time and energy building relationships with all people, but more specifically with those who are not yet believers. As we build those relationships, we begin to see openings for conversations about all kinds of things, including

spiritual matters. That is the basis for **“Who’s Your One?”** If you know a person who is not yet a believer, and have a relationship with them already, that may be an indicator that they are a likely candidate for your “One.” Begin praying now about building trust through that relationship. During the first three Sundays in October, we will be focused on this theme and it will carry over and set the stage for our Thanksgiving emphasis in November.

I mentioned our **Mission Moments** last month, and these will continue in our worship services as we hear more and more about how our people are involved in spreading the love of Christ!

Blessings and Peace!
Ramon

A NOTE FROM MARY

Glory Days study begins September 11 @ 6:30
Steve Loftis, Facilitator

Keep walking. This may be the day your Jericho walls come down. We all face them. Strongholds with a strong hold on our lives. Roadblocks to our joy. Obstacles in our marriages. Fortresses of fear blocking us from peace. How can we bring down these walls that keep us from the future God promises? Remember the story of Joshua and the battle of Jericho? Those were some formidable foes and big barriers.

Max Lucado says the book of Joshua is in the Bible to remind us of one thing: God Fights For Us! We can overcome, because He has already overcome.

We were not made to stand in the shadow of our walls and quake. We were made to stand on top of Jericho's rubble and conquer. We win, because God's already won. Need a new battle plan for life? Keep walking, keep believing. These may be your Glory Days.

ATTENDANCE STATISTICS

Qualified Charitable Distributions (QCDs) are more valuable than ever. With the doubling of the standard deduction and the suspension and limitation of many other deductions, far fewer taxpayers are likely to itemize. This means that far fewer will be able to take advantage of the deduction for charitable giving. With a QCD, you can use the standard deduction and get a tax break for your charitable contributions. Is a QCD right for you? You must be age 70 1/2 and the funds from your IRA must go directly to a qualified charity. You are also limited to \$100,000 annually. A bonus benefit is that your QCD can satisfy your required minimum distribution from the IRA. See Grace Hodge for details or your financial advisor.
