

HIGHLIGHTS

College Park Baptist Church
1701 Polo Road, Winston-Salem, NC 27106

Summer is in full swing, and there are so many ministry opportunities for us. We are seeing new children involved in the Adventure Club that Bryson is directing, and we are seeing new families coming to worship with us! Our church must remember that our role in all of this is not to be just a welcoming church (which I think we do well), but also to be an inviting church! There is a difference in these two mindsets, although it could be argued they are related. The welcoming church is one that extends a warm greeting to those who come to us. An inviting church is one whose people are actively working to invite people to come join us for worship and ministry (not just waiting for people to show up at our doors). Because we are a people who love the Lord, and love each other, it shouldn't be difficult to invite others to journey with us. I know that I am out and about more than the average person, but I can recall five different encounters I've had during the last week where I invited others to come be with us here at College Park. I can do that because I am so proud

our people, and know that you will extend a warm welcome to all who come in our doors!

We will have another opportunity to welcome new people when we have our Vacation Bible School the first week in August. We will need willing workers in all areas of VBS, and Danielle Phillips is currently recruiting people...but don't wait on her to call you...give her a call and let her know you are willing to be a part of this wonderful ministry opportunity!

Let me also ask you to pray for our teenagers and adult chaperones, as we go to Youth Camp @ Garden City July 11-15, These kind of retreats can have a huge impact on the lives of teens, and I am so grateful for the support of our church for youth ministry throughout the years! You truly are a special group of people who **Love God, and Love People!**

Blessings & Peace,

Ramon

Our Mission...

*"A people gathered
in Christ; nurtured in
His Spirit; and
sent in His name."*

A NOTE FROM MARY

“As God’s people, we have been given the privilege and responsibility of manifesting, or presenting, a correct image of God to the world. ‘Man’s chief end is to glorify God and enjoy Him forever’ (Westminster shorter catechism). One of the basic meanings of glorify is ‘to give a correct interpretation of something or someone.’ This is at the heart of being ‘light and salt’ in the world.”

~ Henry Blackaby and Ron Owens,
Worship Believers Experiencing God

will meet on
Monday, July 25th at 7 pm

This month’s book is:
Yours Is the Night

If we are to be salt and light to the world, we must represent the truth of who God is. That means we must represent the love, mercy, kindness, and forgiveness of God. As we bear His name, there is no room for unforgiveness, prejudice, or any other attitude that is contrary to His holiness. There is no room for anything other than love, because God is love. His nature is love. To relate to others in a way contrary to God’s nature is to misuse His name and misrepresent who He is. If we are to wear His name well, we must learn to live out His love in every situation and to everyone.

CREATION KIDS AT THE PARK

A MESSAGE FROM BRYSON

Hey everyone! Summer is in full gear and God has already been working in wonderful ways throughout our children's ministry! Our kids have already been working hard on memorizing and putting into action Galatians 5:22-24, in which Paul outlines the ever important, Fruits of the Spirit. I am blessed to see the ways in which God is working through our kids this summer, and to serve as a small part of their journey with Christ. We have so much more planned for our kids in July, and we want your kids to be a part! God has big plans and we can't wait to see how He uses our kids!

ADVENTURE CLUB

Adventure Club is in full swing and we want you to be a part! Every Monday, all throughout the summer, kids ranging from 3-12, can join us here at College Park for a morning of bible study, crafts, rec. time, and fellowship, as we study more about the Fruits of the Spirit, outlined in Galatians 5:22-23. Adventure Club will last for all preschool aged children from 9am-12pm, with lunch provided. For all elementary age children, Adventure Club will last from 9am-3pm, with away-from-church field trips lasting from 12pm-3pm. Scan the QR code found in the Garden Lobby on the Fruits of the Spirit Tree to sign your child up!

Contact Bryson May if you have any questions!

JULY AT A GLANCE

-  TUESDAY July 5th: Adventure Club at College Park- Water Games Day!
-  July 11th: NO Adventure Club
-  July 18th: Adventure Club- Movie trip! *\$10 Cost required*
-  July 25th-29th: Kids Music Camp

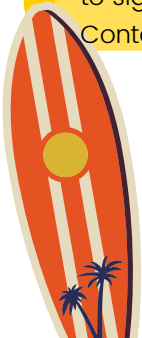

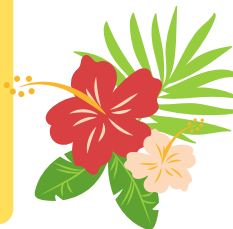

IMPORTANT CHANGES!

During the month of July, there will be a few changes to our Creation Kids weekly schedule that are important to take notice of.

- Adventure Club will be held on TUESDAY July 5th, instead of Monday July 4th, in observance of Independence Day.
- There will be NO Adventure Club on Monday July 11th.
- July 18th, children will need to bring \$10 with them to cover the cost of their movie ticket.
- On Monday, July 25th, Adventure Club will be held for preschool only, due to Kids' Music Camp which will be held for all elementary age kids.

KIDS MUSIC CAMP

All elementary age kids are invited to join us for a week long Music Camp, led by Minister of Music, Mary Keltner, and Music intern, Jacob Andrews! From July 25th-29th kids will have the opportunity to learn more about the specifics of the wonderful gift of music that God has blessed us with! You can find out more information on this exciting week from Jacob Andrews! You can also sign up in the Garden Lobby!

Music Intern Dynamics

To the families and friends of College Park,

I am enjoying my time as the music intern this summer. I have been spending time being a part of both the 9:00 and 11:00 worship services as well as Wednesday night prayer and praise time. Being able to utilize my gifts in this way has blessed me. And I look forward to getting know more of you on a personal level as the summer progresses.

I've really excited about the upcoming music camps scheduled for July. I hope you are able to join us as we spend time together praising God through the gift of music.

Handbell Clinic

The first event is the Handbell Clinic which will be held on Sunday, July 10th from 12:30 – 3:00 pm. Lunch will be served in Smith Hall at 12:30. We will then move to the Chapel to enjoy time together as we learn about handbells. You do not need to have any formal musical training to take part in the clinic. Just be willing to learn about handbells and how you can make a joyful noise! If you are interested in participating, a sign-up form is located on the table outside of Smith Hall.

Music Camp

Later in July, we will be embarking on a week-long music camp where our children will get the opportunity to sing, learn and play new instruments, compete in games, build their own instruments, learn what it means to sing His praise, and more!

The camp will take place from 9am-1pm on July 25th through July 29th. Children who have completed grades K-6th are welcome to come to the camp to play and learn music from many talented youth and adult church members. The cost of camp will be \$30 which can be paid on Realm. Lunch will be provided every day from 12:00pm-12:30pm. Each camper will receive a t-shirt.

You can sign up either on Realm or on the sign-up sheet in the garden lobby. Safety/permission forms are available in the garden lobby. For our preschoolers, the Adventure Club will still be taking place for them on Monday, July 25th. Please, invite your friends too! This will be an unforgettable week!

We are so excited to discover what it means to truly make a joyful noise in the eyes of our Lord, revealed to us through the musical gifts woven into our children. College Park has been blessed with many individuals with God-given musical gifts. If Dad has a guitar in the attic, and he hasn't played for ten years, tell him he can come along and participate in the camp too!

We are thrilled and cannot wait for this week together.

With love,

Jacob Andrews
