## FROM ONE MINISTER TO ANOTHER . . .

How blessed we are to have such wonderful music at College Park Baptist Church! We want to express our deep appreciation to our musicians for the beautiful music both Sunday morning and Sunday evening.

What a blessing the service of "Yonder: The Music of Heaven" was on Sunday evening. I deeply appreciate the ministry of Jeff Parker. He does a splendid job of planning our worship and of providing wonderful leadership to such a comprehensive Music Ministry. Jeff is a great "team player," and it is a joy to serve with Jeff as a vital part of our staff team.

Every now and then we speak of "going the second mile." This Sunday morning, I want us to take a look at "The First Mile." Our text will be taken from Matthew 5: 38-48. I look forward to sharing another great service with you as we gather to worship the Lord. God has great things in store for us as we yield to His will!

*Jim Baucom*

# RAMON'S UPDATES

A very special thank you to the young people and adult leaders of *EyeWitness*. Their interpretation of the song "I Can Only Imagine" last Sunday evening was beautiful. The text of the song is also particularly meaningful as we compare the temporary existence of this world against the eternal joy that awaits us in Heaven. There is really no comparison, yet we spend so much of our time and energy chasing after "stuff" that doesn't really matter. As we approach the Thanksgiving season, it is my prayer that we can truly focus on those things that are from God, and of God, and let our thanksgiving flow forth in all that we are and do!

We are having a difficult time producing enough *yoU-Turn* CDs to keep up with demand, so be patient with us. Demand has exceeded our expectation, and hopefully by the time you read this our supply will be refurbished. This two-volume CD set was recorded live in our own Chapel and is now available! Cost for the 26 song, double-CD set is only \$15, and can be purchased on Wednesday evenings or by calling the church office. If you have already called in an order, that order is now ready for pick up from the church office at your convenience.

**"The Park" Christmas ornaments** are available in crystal (disc or snowflake design) or on opaque acrylic by special order only. Samples will be available on Wednesday evenings. Crystal ornaments are \$15, and acrylics are \$5. To order, see Ramon or call the church office.

Several weeks ago we hosted the **South Fork Panthers** football teams in our worship service. That memory is still in the minds of many of those players and their parents. Now one of those teams (Jr. Pee Wees) has won the district/city championship and will be advancing to the Coastal Carolina Championship game in Wilmington this weekend. One of our pre-teens, Carson Smith, quarterbacks this team. Please pray for all the players and their families as we travel with the team.

## 2003 Budget Planning Dates

Friday, Nov.	Budgets mailed to congregation
Wed., Nov. 6, 6:45 p.m.	Budget discussion after dinner
Wed., Nov. 13, 6:45 p.m.	Called Conference to vote on budget

# Jeff's Notes

Thank you to all who participated in our "Yonder" concert last Sunday evening. It was such a joy for me to share in each song, enjoying a variety of musical styles and a variety of images of heaven. I especially want to thank Jeremy Cauble and Ward Page for making the special effort to be home from college to help us, and to Jenny for beautifully playing everything we needed. God blesses us in so many different ways; certainly this was one of them.

I will be away with our youth choir this weekend on their fall retreat to Caswell. In addition to the times of rehearsal and fellowship, the group will be leading in worship on Sunday at Southport Baptist Church. Please remember them in your prayers as they prepare for this important opportunity. Danny Lloyd will be leading our worship through music in my absence. As always, I am grateful for his willingness to serve in this way.

There are two more opportunities this month to help out at **Speas School** with their Teachers Lunch-Out Program. We need three volunteers to help in 4th grade classrooms on Wednesday, November 13, and three to help in 3rd grade classrooms on Tuesday, November 26. Your help is needed on both of these days for about 90 minutes over lunch time. Even if you are working on that day, consider taking a long lunch period and helping out our neighbors.
