What a wonderful turnout for “*Sunday Night @ The Park!*” We had a large number of guests with us, and it appeared to me that we did a great job of making them feel welcome. As you know, one of the goals of these events is to provide an environment where our guests will feel comfortable so they can get to know us. “Thank you” to our Family Enrichment Committee (Larry & Carol Sauers, Robert & Beth Huff, Ray & Ashley Wood) for all of their planning and work that made the evening possible, and thanks also to Jeff for enlisting a wonderful variety of music! To all of our musicians, young and older, thanks for sharing your gifts with us! Of course I could never name all those who come, see a need, and jump right in to help make things go smoothly...you are the “Marthas” that guarantee the success of events like this! I am already looking forward to the next one!

Next week is **Vacation Bible School** here at College Park, and I always look forward to having the church buzzing with the sound of children. Angie and Matt have been working hard this week, with the help of our youth, to make all of the backdrop decorations for the rooms. Joy Minster and her VBS Committee have been preparing for months for this exciting week! If you know children who could benefit from a week of Bible Study, Fellowship and Fun...invite them to Bible School!

Please continue to pray for our search committee as we continue to gather resumes and look for the person that God is going to use to lead us as we disciple our children!

We are approaching the end of our “Home Improvement 101” series of sermons. This week we will be looking at the family life of King David as we examine the subject, “How to Lose Your Kingdom In One Generation.” I hope you will come to Sunday School and Worship expecting God to speak to you!

Ramon Smith

REMINDER: We are grateful to those who take the tablecloths and dish towels home to laundry following a church event; however, we do need them to be returned as soon as possible so that they can be available for the next group.

Our prayers and support are offered to the following members of our church family who are, or have been in the hospital in the last week:

Eunice Dawkins, Tamara Thornton

Crisis Control Gifts for June:

Fruit Juice (46 oz) Dishwashing Detergent

In May, we collected 16 boxes of detergent, 40 jars of applesauce, 24 boxes of pasta, and 16 bottles of shampoo.

“Whatever you do for one of the least of these brothers of mine, you do for me.” Matthew 25:40

My thanks to all who shared through music this past Sunday evening. It was a great opportunity to enjoy some songs that we would not offer within our morning worship experience. I look forward to another similar evening on Sunday, July 6, when our focus will be songs that remind us of the connection between God and our country.

Our Handbell Class (5:00 p.m.) and Singing Class (6:00 p.m.) will begin this Sunday. The bell class will meet in the Chapel and the singing class will meet in the old choir room. Both classes are open to youth and adults. If you are planning to attend but haven’t told me, please let me know ASAP.

I hope all of you are aware now of our church’s intent to replace the sound system in the Sanctuary. We all know of some of the short-comings of our present “pieced-together” system, but the serious problems of the system will only become obvious when the entire congregation can see what a difference a new system will make. Our Technical Services Committee has certainly done their homework and sought consultation from the best sound “guys” in Winston. I hope each of you will consider helping with this need as we seek to receive at least \$15,000 (1/2 the total cost) in contributions to the Sound System fund. At this point, nearly \$4500 has been given. Please consider this an additional opportunity to give toward the ministry of College Park. To be able to clearly communicate as we worship together each Sunday surely strengthens our experience.

Angie's Corner

I am very excited about VBS this year! I hope that you have invited your friends and neighbors. **The Great Kingdom Caper VBS** begins this coming **Monday, June 9th**. On Friday, June 13th, our children will show us what they learned during the wonderful week of “**Cracking the Character Code.**” Plan to join your children at the **program on Friday, June 13th**. A bag lunch will follow the program in Smith Hall. I want to say a **BIG THANK YOU** to all the youth who helped get the VBS sets ready. We couldn’t have done it without you!

3-2-1 Penguins Club will start **Tuesday, June 17th** for 1st-6th graders and **Thursday, June 19th** for age 3 - Kindergarten. This is going to be a great time for all. I have a lot of exciting things planned as we join the Penguins for the “Ride of Your Life.”

3-2-1 Penguins Club needs: Coffee drinkers, I need your help. Please save your empty coffee canisters with the lids. The 3-2-1 penguins will need these to make their “Time Capsules.” I will also need cereal boxes and 2-liter clear soda bottles. If you have any of these items, please drop them off at the church office. Thank you for your help!

In Christ,
Angie
