## *From Your Pastor...*

We had a wonderful worship experience together Sunday, and I want to thank you for your attendance and participation! As we worship together, we form bonds of unity through our common goal of glorifying Christ...that is what makes corporate worship so special. Corporate worship should not replace private worship though; we need time with the Father, in private, so we can learn to recognize His voice, and His gentle tugging on our heart. As we read His Word, with the help of the Holy Spirit, we can then apply what we are learning to our life! If we are faithful to study and apply, then we will be stronger in the foundation of our faith, and therefore less likely to be deceived by the dominant themes of the culture that we live in. I believe this is the definition of living in this world, but not "of it".

We all have challenges we face in our daily lives, and we need help and encouragement as we face these challenges. This Sunday, Matt Wilson, our Family Ministry Intern with Youth, will be preaching from Joshua, chapter three. I am looking forward to his message, and I hope to see you here!

Bring a friend, and we'll see you Sunday!

## In Touch...

As the summer is drawing to a quick end, there is a lot to celebrate about what has happened around and in our church family. I have thoroughly enjoyed my first summer among the people of College Park. Many of us have wonderful memories as we have seen God moving this summer.

One of the most powerful movements I have seen has been in the ministry of our two summer family interns - Ward Page and Matt Wilson. These two young men have been a joy to work with and their servant hearts have made a tremendous impact in the lives of so many of our people. They have served with joy, integrity, energy, and passion which touched us all. It has been a pleasure to serve with them and I know that God has something mighty in store for their lives.

This Sunday will be Ward and Matt's final Sunday with us. Let me encourage you to attend Sunday morning's service so that we can all take the opportunity to tell them how much they are loved and appreciated. I know that they will appreciate your attendance on their final Sunday of the summer. I look forward to our time together.

*Jeff*

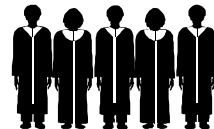

## Jeff's Notes

*I got a robe, you've got a robe, all God's children got a robe!* We did it!! With the receipt of a sizeable memorial gift this past week, we have reached our goal for new choir robes. Within the next week we will be placing the remaining order for children's, youth and adult robes and stoles. On behalf of our entire music ministry I would like to thank all who contributed. The symbolism (and the practicality) of all our choirs having robes will surely enhance our worship for those leading and for those in the congregation. In addition, we have a wonderful opportunity, if we choose, to aid another congregation (Berean Baptist Church, Part-au-Prince, Haiti) by giving our old robes to their choir members, who have none. Thanks be to God!

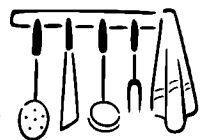

This Sunday, in addition to being led through preaching by Matt Wilson, we will be led through music by our Sanctuary Choir and our summer Ladies Chorus. The latter is a wonderful and diverse group of women who have been rehearsing all summer. I know we will be blessed by their leadership.

*Floor-Length Rectangular Tablecloth*

In recent months, someone returned to us a floor-length **round** tablecloth instead of the **rectangular** tablecloth they used. This switch could have occurred at the dry cleaners.
