Our Mission ...

*“A people gathered in
Christ;
nurtured in His Spirit;
and sent in His name.”*

To College Park Baptist Church,
We truly appreciate the generosity of your church for letting us use the facility. Our Bible Study is growing. On June 3, we had 35 adults in attendance. Last month, two of the regular attendees prayed to accept Jesus as their Lord and Savior. Thank you for your partnership with us to reach the Chinese for Christ. We would like to extend our invitation again to the College Park church family to join us for dinner and fellowship anytime.

In Him,
Frank & Anna

From Your Pastor...

As we approach this Sunday, we will be concluding our *Home Improvement* series on Father's Day. Appropriately enough, we began the series on Mother's Day, and now we find ourselves six weeks "down the road." Time truly does fly, and that reminds us that the time we spend with each other is precious indeed. So when you are not in church, you are missed! As we gather for worship this Sunday, we will examine who we choose to serve. The faithful father leads his family to serve the Lord and declare 'Blessed Be the Name of the Lord.'

As I write this, we have met two consecutive Sunday evenings for our L.I.F.E. worship services. There has been outstanding participation, and we have met many new visitors. It is wonderful to see our college students and young adults lead in this new outreach and worship experience. Please pray for them as they provide leadership and new L.I.F.E. to College Park! We often say that our young people and young adults are the church of tomorrow, and that is indeed the case; but, sometimes we forget that they are a valuable part of the church today! I know they appreciate your prayers and encouragement! L.I.F.E. meets each Sunday evening at 7:00pm in Smith Hall.

It was good to take a few days away with my family, and it was also good to come home refreshed! Thank you for your prayers and love as we serve together!

GENERAL NEWS

Mt. Outreach

Katrina Wolfe is a 12-year old girl with dreams like most of our girls. She dreams about a canopy bed and her own phone, but she will be excited to have a room with no holes in the walls and a new blanket on the bed.

Kallen Wolfe is 9 years old and is all boy. His dreams are about Tony Stewart (drives a race car) and Power Rangers. He and his family are thrilled that they will soon have a brand new home with plumbing that works and wiring that does not catch fire.

Please check the display outside Smith Hall for specific size information for each member of the Wolfe family. Pray for them as they await our mission team's arrival to build a warm, dry home that is safe and secure, and pray for our mission team's witness to them. Pray for our collections of needed items and about your involvement in donating furniture, clothing, money and time.
