*Living the Faith...*

*Building the Future*

It is vital that the plans for College Park Baptist Church be bathed in prayer. We must seek to discern and obey God's will in all we do. Our church has voted to upgrade the existing buildings and expand the facility to include a new gym. But a vote does not end the need for prayer. Today we will surround our church physically and spend 5 minutes in targeted prayer. We will ask God to reveal His will, to bless our gifts, and to give discernment to each of us as we pray about our participation in the project.

Upon announcement from the pulpit, everyone in the congregation should leave the sanctuary. Each one should leave from the door nearest to your pew and position yourself so that the entire church building is surrounded.

***Horn #1:*** Please pray for the Lord to show us His will for College Park. We don't want to take one step or make one decision without His wisdom and guidance.

***Horn #2:*** Please pray for God to bless our efforts and our works. Ask God to guide our administration of His gifts. Ask for the gifts to be a blessing to people within our church and to people in our community.

***Horn #3:*** Ask Jesus to guide your family as we consider our participation in the building renovations. Ask Him to reveal His will for you and enable you to be obedient.

***Horn #4:*** Go in peace and keep our church, our plans, and your participation in your prayers.
