Parent Information Packet

Dear Youth Parent,

Thank you for allowing us to partner with you in the discipleship of your son and/or daughter. We are looking forward to all that God has instore for your student at this year's DNOW weekend. DNOW can serve as a pivotal time in the life of a young person and we believe that God is going to do big things for our students this year.

This year our theme is True & Better: Finding Jesus in All of Scripture. The goal of this year's theme is to lead our students to see that Jesus is the main focus of all of Scripture and the way that he perfectly fills the roles of prophet, priest, and king for his people.

Our schedule this year is jam packed with lots of great activities. Highlighting the weekend's activities are:

*Large Group Worship -*

We will have 3 large group worship services. Each service will consist of a time of student-led worship and a message from one of our PMBA Youth Pastors.

*Small Group Bible Study -*

There will be 2 small group Bible study sessions led by home group leaders from your church. These sessions will be spent looking at the lives of Hosea and Jonah and how they give us a glimpse of who Jesus is and what he came to do.

*Saturday Service Project -*

On Saturday afternoon, we will go out as a team to meet the physical needs of our community. We are finalizing details of our exact service location, so be on the lookout for more information in the coming days.

*Saturday Night Hangout -*

This year's late-night activity is TBA.

Transportation for students will be provided by your church's adult group leaders at all times throughout the weekend.

*If for some reason your student will need to leave the activities throughout the weekend for any reason or will need to have access to their own personal vehicle at their host home, please fill out the form at the very end of this document and submit it to your church's Youth Pastor/Leader for approval.*

If you have any questions at all about any of the activities or the weekend in general, please do not hesitate to reach out to your church's youth pastor for more info. Again, thank you for allowing us to partner with you in the discipleship of your students and for being a part of DNOW 2020.

In Christ and for his glory,
