Creation Kids Campout

Week 1: Fishing for Men

On the line, write one thing that you're thankful for! Next, decorate and color the fish. Print out as many as you want, then mail them, send pictures of them, or just give them to a friend, family member, or anybody else that you're thankful for. Tell them to come join our campout every Tuesday night at 7pm at go.atthepark.ws/campout
